Questions and Responses

- Question 1:** What seating sections does the RFP cover?
Response 1: Currently Sections B, C, and E. There is potential for more sections to be covered in the future depending on cost and/or future year's funding.
- Question 2:** Should the bleachers be numbered?
Response 2: Yes
- Question 3:** Should a quote be provided for adding numbering for Section D?
Response 3: Yes
- Question 4:** Should the entire seat plank of Row GG of Section B, which is one continuous row to the end of the grandstand be replaced through Section A?
Response 4: Yes
- Question 5:** Since the tread depth of the seating in the Memorial Stadium is 27 inches, which will not allow the seatback portion required in the RFP, is this a viable requirement?
Response 5: No. Seatbacks will not be required on the replacement seating for the Memorial Stadium.
