

Quote for Diaper Provision Services	
Organization Name	Diaper Bank of North Carolina 437 Dimmocks Mill Rd, Ste 1 Hillsborough, NC 27278
Service Dates	1/1/2026-6/30/2026
Service Description	<ul style="list-style-type: none"> • DBNC will distribute 100,000 diapers, and other essential family supplies as needed, which will support approximately 2,000 babies with diaper access. • DBNC will provide data to the County about the number of diapers distributed, and any information about challenges and barriers experienced with distribution, and any changes in need as reported by partners or families themselves. • The investment will maintain inventory levels for distribution points in Durham through DBNC's ongoing bulk procurement. • Funds will support the Essentials Hub distributions in Durham County, including scheduled community distributions. We will continue to leverage our warehouse operations, DBNC's volunteers, donated and in-kind products, and additional grants so Durham County dollars stay focused on product and access.
ECAP Implementation	<p>Recommendation 11: Family Essential Supplies Ensure Families Have the Essential Family Supplies Needed to Support Pre- and Post-Partum Health and to Care for Babies and Young Children.</p> <p>STRATEGY 11.1: Expand the capacity of programs that increase access to essential supplies such as car seats, diapers, beds, clothing, bottles, breast pumps, etc. so that more families who need them will have access to these basic needs items.</p>
Total Cost	\$60,000
