Isaac,

Attached to this email are the two box sale quotes.

The first is for the Cameras you requested with the additional Hanwha cameras added.

The second is for the S2 license renewal. Please note, some of the sites that have expired SUSP's will have the part number- S2-SUSP-EXP-NETVR this is needed to catch those systems up and all of them will have the S2-SUSP-NETVR license that will run through 09/2025 as you requested.

thanks!

Good evening Justin,

I wanted to follow back up on the quote for the license. We are nearing the end of our budget year spending cutoff and I wanted to go ahead and push this item to our board for approval for FY24. Thank You for your understanding!

Having a team that focuses on compliance is great. But also a pain at times.

Hey Isaac,

I am finishing that one up, our contracts team has been working on finalizing that against Sourcewell for compliance and is taking a bit longer than anticipated

Hey Isaac,

I have the quote together and I am just waiting on our contracts team to approve it against the Sourcewell Contract we talked about.

As soon as I have it back from them I will get it over.

Thanks!
