Justification: After thorough evaluation, the second-lowest bidder, BFPE, was selected based on:

- Full technical compliance with tender specifications.
- Demonstrated capability and relevant experience in similar projects.
- Strong delivery plan and after-sales support.
- Acceptable price within budget and offering best value considering quality and reliability.
- Positive past performance and financial standing.

While Pathway Technologies offered the lowest price, Their bid proposal rank 4th under the evaluation committee review. Therefore, the contract is awarded to BFPE International, the second-lowest bidder, and the 2nd highest ranker under the evaluation committee review who offers a compliant, reliable, and cost-effective solution.
