Dear Ms. Rewalt,

Thank you for submitting an application in response to the North Carolina's RFA DSS-2026-01 Family Support Program Services. The intent of this RFA is to award funds for the provision of services to develop, operate, and/or expand community-based, family support program services to reduce the risk of child abuse and neglect by promoting protective factors that strengthen and support families.

Congratulations! The North Carolina Division of Social Services (NCDSS) is pleased to award Durham County Cooperative Extension \$150,000 in annual funding for the grant cycle SFY 2027-2030 to deliver Family Support Program Services. These services will support NCDSS in assuring safety, permanency, and well-being for children and families.

The NCDSS Family Support Contract Administrator, Wendy Clewis, will contact you regarding conditions for initial contract agreement and final approval. If you have any questions, please feel free to contact Ms. Clewis by email at wendy.clewis@dhhs.nc.gov.

We look forward to working with you and appreciate all that your agency does to support the children and families of North Carolina.

Sincerely,

A handwritten signature in black ink that reads "Heather McAllister".
