Dear Rodney Goss,

Congratulations! The NC Governor's Highway Safety Program (GHSP) has approved your agency to begin the next phase of GHSP's FY 2026 Funding process. This phase allows your agency to complete a grant agreement with NC GHSP to provide the outcomes outlined in the final grant application.

Please ensure your agency has reviewed the grant application in the grants management system. Once complete, electronically sign the application using your Personal Identification Number (PIN), then click the submit button. If you have any questions about this process, please contact your Grants Specialist.

Although your application has been approved, this does not ensure funding. Final approval of funds will not be made until late September once your Agreement is finalized. Your organization is not authorized to incur any expenses until you receive final approval, **and** the new federal fiscal year begins October 1st.

Please contact your Grants Specialist if you have any questions about completing these documents.

The GHSP appreciates your dedication and contribution to highway safety.

Sincerely,

A handwritten signature in black ink that reads "Mark Ezzell".
