1. Temporary Staffing Services

a. Description. Adecco USA, Inc. ("Adecco") will recruit, interview, select and hire assigned employees ("Associates") who, in Adecco's judgment, possess the qualifications you request. Adecco will pay Associates weekly for time worked as submitted on time records verified and approved by your authorized representative. Adecco shall report and pay the employer's share of state and federal taxes, workers' compensation, FICA, and unemployment insurance for compensation paid to them and will submit required tax withholdings. The term of this Contract is from July 1, 2025 to June 30, 2026.

b. Rates and Charges. Fees/Charges are in the attached Rate Sheet. Adecco's pricing provides for emailed invoices, Web Time approval system, standard Adecco interview, E-Verify, verification of one previous employer, and standard Adecco assessments for each Associate at time of first assignment. Rates reflect a cash/cash equivalent discount of 3.5%. Adecco may change rates on 30 days' written notice, including increases due to higher or newly imposed government-mandated costs (such as required wage, payroll tax, insurance premium, assessment, contribution, benefit or fee). Overtime will be billed by applying the same multiple to the straight time bill rate as Adecco is legally required to apply to the Associates' pay rate (usually 1.5). You will be billed for applicable sales, use, excise, value-added, and other like taxes on our staffing services. A minimum of 4 hours per day will be charged for each Associate. Further charges will apply for non-standard services. Adecco will bill back to Client the straight-time bill rate for all hours taken by any Associate in any jurisdiction that has passed or will pass paid sick time legislation. Adecco will bill back at cost for any government mandated trainings and any other compensable time. Adecco will invoice you weekly for compensable time worked by Associates; payment is due in full upon receipt. If Client has a PO requirement, any delay in Client's internal approval process should not delay payment to Adecco and such payments shall continue to be due within the time set forth herein. Adecco reserves the right to assess a late penalty charge to Client calculated as follows: 0.0277% daily finance charge on outstanding invoice amounts for each day past due. Any late payment penalty will be invoiced separately to Client on a quarterly basis for all outstanding invoiced amounts. Adecco will work with you to resolve any invoice disputes made within 60 days of invoice date. Adecco shall apply credits, without Client approval, with the right to offset those credits at their discretion. Adecco shall perform the services described in this Agreement for compensation to be paid by Client/Durham County, in an amount not to exceed Seven Hundred Sixteen Thousand, Nine Hundred Two and 21/100 Dollars (\$716,902.21). This is a Two Hundred Fifty Four Thousand, Four Hundred Fifty and 84/100 Dollars (\$254,450.84) increase to the previous agreement.

c. Responsibilities. You are responsible for the supervision and safety of Associates while on your premises including compliance with federal and state laws, including OSHA. You agree to bear the risks of allowing Associates to handle cash (including electronic transactions), checks, keys, credit cards, laptops, computers, merchandise, negotiable instruments, or confidential information; losses enabled or enhanced by lack of reasonable supervision, including risks arising from Associates being required to work from home or remotely in connection with their duties for you; or to be permitted to travel or operate motor vehicles or equipment, and you shall defend and hold harmless Adecco from these risks. Associates are not authorized to bind you or Adecco, to render professional opinions, or to sign their names or Adecco's name to financial statements or tax returns. You agree not to permit Associates to climb or operate 8 feet or more above the ground or manually lift objects greater than 50 lbs. per person and not to change an Associate's assigned duties without Adecco's prior approval. You agree to provide Associates with meal and/or rest breaks required by law. Web approval is the standard method of approving time. Time entries must be approved no later than 2pm Tuesday following the Sunday work week end; if not, hours submitted are deemed approved. For hours entered after midnight Sunday, you will receive an email notification for approval to be made within 24 hours. You shall notify Adecco if any positions filled under this agreement ("Agreement") are or become subject to a Wage Determination, federal or state prevailing wage, living wage and/or special fringe benefit requirements, including but not limited to the Service Contract Act. You shall notify Adecco in the event that any orders qualify as tax exempt and provide Adecco with a properly executed certificate or permit stating to that fact. You acknowledge that Adecco relies solely on your job descriptions in making exempt/non-exempt pay classifications, and you shall ensure that the functions and duties actually performed by Associates are accurately reflected in the job descriptions.

d. Hiring of Associates. You will obtain the services of each person assigned to it as an Associate only through Adecco. If you wish to obtain the person's services directly before the Associate's assignment from Adecco to you has continued for at least the number of hours of work set forth in the Rate Table, then you must either (a) end the Associate's assignment and wait at least 180 days before obtaining the person's services; or (b) pay Adecco the conversion fee set forth on the Rate Schedule attached hereto.

e. During the term and for a period of one hundred eighty (180) days thereafter, Client shall not transition any of the Associates to another supplier. If any Associate is engaged to perform services by another supplier as a result of the solicitation, participation or facilitation by Client, either directly or indirectly, within one hundred and eighty

(180) days of termination of this Agreement, Client will pay to Adecco, as liquidated damages, an amount equal to 25% of the Associate's first year salary with such other party, unless prohibited by applicable law.

2. Direct Hire Services

a. Description. Upon your request, Adecco will find, refer and place one or more candidates into employment with you.

b. Rates and Charges. For each candidate that you employ in any capacity within 365 days after referral, upon receipt of invoice you shall remit 30% (or such other percentage as is agreed upon in the 'Additional Terms section below) of the candidate's annualized pay (which is all expected cash compensation for the first 365 days of employment, including bonus) plus sales tax where applicable. "Employs in any capacity" includes, but is not limited to: employing the candidate directly; purchasing the candidate's services as a temporary, payrolled or leased employee of an organization other than Adecco; obtaining the candidate's services through any independent contractor, agency, facility staffing, or consulting relationship; or arranging, suggesting, endorsing, facilitating, or acquiescing in the candidate's employment or recruitment by another organization with legal or operational ties to you. In the event that a candidate referred by Adecco has submitted his/her resume directly to you or is otherwise found in your database, but has not been contacted about or interviewed for the relevant position within the past six (6) months, Adecco will be considered the source of the referral and entitled to a full fee according to terms of this Agreement. If you fail to pay the full placement fee when due, you will remain liable for the fee and will also pay Adecco all attorney's fees and other collection or litigation costs incurred to recover the fee by Adecco or its successor in interest. If Client pays the full fee for a candidate's placement within 10 business days after the candidate's start date, Client will be entitled to a service guarantee, which is that, if the placed candidate's employment with Client is terminated within a guarantee period of the employee's first 30 calendar days, for reasons other than layoff, lack of work, change or misrepresentation of the candidate's required duties, violation of law by the Client or its personnel, or change in the Client's location, Adecco will replace the candidate for that position without additional charge.

3. Miscellaneous

No representations or warranties, implied or otherwise, are given by Adecco, except as expressly provided in this Agreement. You represent and warrant to Adecco that all information provided by you is accurate and complete, and that you have the power and authority to enter into the obligations herein and to bind any entity on whose behalf you have accepted the terms and conditions of this Agreement. Either party may terminate the active staffing relationship at any time; after termination, this Agreement will continue to govern the parties' rights and obligations regarding the services and work performed before the termination. At either party's option, disputes relating to this Agreement will be resolved through non-binding mediation. This Agreement constitutes the entire agreement and understanding between the parties with respect to its subject matter and supersedes all prior and contemporaneous agreements, understandings and negotiations, whether oral or written with respect to the same and shall be governed by the laws of the United States of America and the State of North Carolina, without regard to conflict of laws rules of any jurisdiction.

Mark Ups/Bill Rates:

We have provided the mark-ups and bill rates above to reflect both our recruited and payrolling services. We have provided in more detail the payrolling function below. A key aspect of the mark-ups would be based on the volume of candidates needed. We may be able to review the above quotes if there is a large volume of staffing needed.

Payrolling Meaning:

The Greer Group, Inc. provides payrolling services for any Part-Time or Full-Time employees that Durham County refers to us for this service. Your organization would interview, select, credential, and extend a contingent offer to the potential employee, and refer the individual to The Greer Group, Inc. for onboarding. We then add the employee to our payroll and process applicable deductions. The payrolled employee is also covered under our Certificate of Insurance.

Managed Payroll services save your organization the time and cost of processing payroll and deductions for employees, as well as the hassle of completing needed screenings. By choosing this option, you are only paying for what is needed per person and this option also has a competitive edge of keeping the right talent happy on the job. In most businesses, the bottom line comes down to budget and money. We understand the importance of Durham County's need to adhere to their budget and being accountable for the various departments' spending.

We look forward to the opportunity to support Durham County Board of Elections and are always available to answer any questions you may have!

Subject: Temporary Agency Policy Exemption

Hello All –

Recently, I reached out to Chief Human Resources Officer(CHRO)/Employment Counsel Kathy Everett-Perry regarding concerns with the county's Temporary Agency Policy. After discussion and given the large volume of temporary employees that are required to be onboarded by the Durham County Board of Elections, CHRO Everett-Perry agreed to exempt the Board of Elections from the policy thus authorizing

us to amend our contract with our temporary agency. We will be providing HR with the names of every temporary employee that will be working on-site through the temporary agency. CHRO Everett-Perry, please let me know if this accurately reflects our discussion and your exemption authorization regarding this policy.

Thanks!

Good Morning Jonathan,

Please we have received a response from legal about the FY25 Adecco contract we are working on for temporary workers for the elections.

Nathan stated that:

“Also, just to be sure you’re aware, Human Resources has process for reviewing temporary staffing arrangements, so you’ll want to check in with them on this if you haven’t already done so.”

Please do you have any information on how to go about this, and if there is a contact there who handles this?

Hi Brenda,

I just tried to give you a call (I figured that it would be easier than emailing). There are many clauses that are legally required to be included in every government contract (not just a matter of preference). However, the risk appears to be very low. I am willing (although reluctantly) to approve this contract now (given the time constraints). However, this is another one that we should discuss at a later date as to how the contracts need to be structured going forward. Please let me know if you would like to discuss further and/or if you have any questions. Thanks.

Hi Brenda,

As we are not using the County template for this agreement, there are several required clauses that are not included (i.e. security background checks, e-verify requirement, data security, insurance requirements, etc.). Is Adecco unwilling to use the county template? If not, it would be much easier if we could use it. If they are unwilling to use our template, then this agreement would have to be revised to include the required clauses. I have attached the county template for you to review and consider. Thanks!

Temporary staffing services are considered more personnel in nature and the County's formal RFP requirement is not currently being enforced. Yes, please obtain 2 additional quotes to at least show an effort was made to seek competition.

NC statutes do not impose a competitive bid process on equipment rentals and to my knowledge and experience, neither has the County. But to show an effort that competition was sought, I recommend obtaining 2 additional quotes.

I would like to add a comment as per our phone conversation that the Robert Half contract would not need to go out for bid because temporary services is not considered a regular service. We will just need to obtain three quotes for this contract.

Also, Rush Computer Rentals is not a regular service and will also not need to go through the bid process.

This information is documented in the spreadsheet as well.

Hi Angela,

I am following up to the phone call we had on Tuesday regarding contracts and the bid process. I prepared a spreadsheet with the contracts we are processing for the new fiscal year and added notes for your review.

Per our phone call, the contracts that require bids will need to be processed under \$40k until the bid process opens in July. I noted that information on the spreadsheet.

I also have a question I need clarification on:

- When amending a contract where the amendment is over \$40K, will we need to go out for bid or is the bid process only required for new contracts?

We appreciate your assistance.

Thank you,
Brenda

Hi Brenda,

I have reviewed this contract and it looks like this one fell through the cracks and these services were never bid.

Services over \$40,000.00 are considered formal and requires an RFP. Please see attached.

I recommend that you do an RFP in July/August. In the meantime, you can go ahead and renew the Southdata contract for an amount less than \$40,000.00 until the RFP is processed and contract awarded.

Please let me know if you have questions.
