Terms and Conditions**

The following terms and conditions will apply to all orders. Any changes to the terms and conditions must be agreed to by both parties.

PAYMENT TERMS

A fifty percent (50%) deposit is required on all orders at the time of order. Balance will be due upon substantial completion of each phase of the project. Phases will be agreed upon by both parties prior to commencing the project. Payment terms are net 30. A monthly service charge of one and one-half percent (1.5%) will be added to all delinquent invoices. VISA/MasterCard/AMEX payments in excess of \$5,000 will incur a 2.5% processing fee.

If for any reason the Customer is unable to accept the product as of the agreed upon delivery date, the Customer agrees to pay 90% of the invoice price as of the agreed upon delivery date and the remaining 10% upon substantial completion of the applicable phase of the project. In the event the Customer is unable to accept the product after 30 days from agreed upon delivery date, storage fees will be assessed by AWC.

INSTALLATION/DELIVERY

The following provisions apply to installation/delivery services:

1. Delivery and installation will be made during AWC's normal business hours (Monday-Friday, 8:00 a.m. to 5:00 p.m.). If work is requested by Customer outside normal business hours, additional labor costs will be paid by the Customer.
2. Electricity, heat, elevator service and adequate facilities for off-loading, staging and handling product shall be furnished onsite at no charge to AWC.
3. AWC's ability to erect or assemble furniture knocked down or to permanently attach, affix, or bolt in place movable furniture is dependent on jurisdictional agreements. If trade regulations enforced at the time of installation require the use of tradesmen at the site other than AWC's own installation personnel, resulting additional costs will be paid by Customer.
4. After arrival and signed acceptance of the material at the site, any loss or damage by weather, other trades (e.g., painting or plastering), fire or other elements shall be the responsibility of the Customer and the Customer agrees to hold AWC harmless from loss for such reasons.
5. General liability, workmen's compensation, property damage and automotive insurance are carried by AWC and certificates will be delivered upon request. Fire, tornado, flood and other insurance at the site will be provided and paid for by the Customer.
6. The Customer will pay any additional freight charges resulting from expediting an order at the request of the Customer.

STATE AND LOCAL TAXES

If any government authority imposes a tax, duty, levy or fee, excluding those based upon AWC's net income or net worth, upon a product or service supplied by AWC, Customer agrees to pay that amount as specified in the invoice. If Customer is exempt from such tax, duty, levy or fee, Customer shall provide applicable exemption certificate at the time the order is submitted. Customer is responsible for personal property taxes for each product from the date of shipment by AWC.

CANCELLATION

Any cancellations or changes in quantity or specifications are subject to approval by manufacturer and AWC and may result in a restocking charge of 50% to the Customer. All requests for changes in quantity or specifications must be confirmed and accepted by AWC.
