Proposal

14-Jan-21

Job Name: DURHAM CO DETENTION FACILITY
Job Location: 219 S MANGUM ST
DURHAM NC

sbarnes@durhamsherrif.org
email dalpaugh@dconc.gov
phone (919) 309-6480 (919) 560-0962

Proposal Includes: Labor, materials and equipment to install (1) Detox Toilet, blowout jet type with remote flushing, floor sink located in cell 4-1A. Below pricing includes sawcutting of the existing concrete at the existing penal fixture along with the concrete patch back work, at the new floor toilet installation. Below pricing also includes demolishing the existing floor sink, located in the center of the room in the same cell, utilizing a portion of the existing sanitary piping for the new toilet discharge. The domestic water lines for the existing penal fixtures shall be utilized for the new domestic water supply for the remote flushometer - which shall be a manual type flushometer, mounted within the existing chase, utilizing the existing location.

Below pricing is based on the assumption that the existing 3" sanitary waste piping is within the cell, within 3' of the existing penal fixture.

In the event the existing sanitary waste piping is not located as listed above, the pricing shall increase.

Total: \$ 27,197.99

Work to be performed during normal business hours.

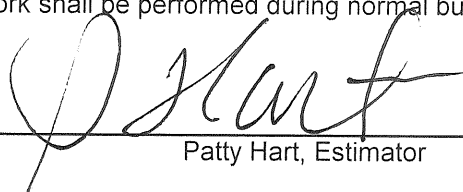

Exclusions: No repair not listed in above description. Any new electrical.

Proposal may be withdrawn if not accepted within 45 days.

PAYMENTS SHALL BE MADE AS FOLLOWS: Payment in full upon completion of work.

All work shall be performed during normal business hours.
