

Agenda Action Form Overview

The Board is requested to authorize the County Manager to authorize a contract amendment to Funds Reservation 26-104 in the Amount of \$6,120 to Pinam Construction, Inc. for additional work needed due to unforeseen conditions for a total contract amount of \$161,090.78.

The approved funding to support this project uses Pay-As-You-Go capital funds allocated to support the County Ongoing Parking Lot resurfacing program.

Background/Justification

Durham County Government's current paving infrastructure is over five years old and due for replacement. It has reached maximal use, and at risk of degradation due to its age. Delaying the replacement will put the current infrastructure at risk. The paved areas selected are critical strategic infrastructure for Durham County Government.

Unexpected conditions revealed that the repair area at the Animal Shelter was more extensive than initially estimated, necessitating additional work and materials to complete the restoration which totaled an additional \$6,120.

The selected vendor, Pinam Construction, Inc. has worked successfully with the City of Durham and many other NC local jurisdictions to support infrastructure improvements.

Policy Impact

Executing a paving contract with Pinam Construction, Inc is consistent with Durham County policy to repair and replace declining paving infrastructure.
