

March 11, 2026

Mrs. Chrissie Koroivui  
Solid Waste Program Manager  
Durham County  
310 South Dillard St.  
Durham, NC 27701

Dear Mrs. Koroivui:

GFL environmental respectfully requests an upwardly adjustment in fees it charges for the Recycle Services for Durham County residence, due to increased cost of operations. To list a few increased components; environmental compliance, wages, benefits and petroleum base products. The previously negotiated rate increase is 2% and will be effective on July 1, 2026. The rate will change from \$3.64 to \$3.71 per serviced cart.

GFL environmental appreciates the opportunity to serve the citizens of the County of Durham. If you have any questions, please feel free to give me a call.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bill Davidson'.

Bill Davidson  
General Manager
