

Agenda Action Form Overview

The Board is requested to authorize the County Manager to enter into an \$154,970.78 contract to pave, stripe and repair concrete at various Durham County facilities. The approved funding to support this project uses Pay-As-You-Go capital funds allocated to support the County Ongoing Parking Lot resurfacing program. The following locations will be repaired: Admin 1, Animal Control Office, Animal Shelter, Fire and Rescue 82, Judicial Building Annex, and Justice Center Parking Deck.

Background/Justification

Durham County Government's current paving infrastructure is over five years old and due for replacement. It has reached maximal use, and at risk of degradation due to its age. Delaying the replacement will put the current infrastructure at risk. The paved areas selected are critical strategic infrastructure for Durham County Government.

The selected vendor, Pinam Construction, Inc. has worked successfully with the City of Durham and many other NC local jurisdictions to support infrastructure improvements.

Policy Impact

Entering into a paving contract with Pinam Construction, Inc is consistent with Durham County policy to repair and replace declining paving infrastructure.

Procurement Background

Type of purchase

- ☐ Goods
- ☒ Services
- ☐ Architect, Engineer or Surveyor Services
- ☐ Construction and Repair
