Carolyn Kreuger, Kids Voting, Durham
Durham County Cooperative Extension
721 Foster Street
Durham, NC 27701

Dear Carolyn,

This letter serves as an acknowledgement of the partnership between North Carolina 4-H and Durham County Cooperative Extension's Kids Voting Durham program in FY 2026-2027 to provide a local election experience for 4-H youth across North Carolina, as a regional collaborative extension of Kids Voting Durham's existing civic education work.

NC 4-H will initially provide \$17,500 in funding to support this program. The funding covers staff, contractor, planning materials, and other costs incurred by Durham County to sustain the program and partnership for the FY 2026-2027.

This letter serves as a reference for these funds to support the Kids Voting Election project and work for 4-H Congress in the area of civic engagement. For the FY 2026-2027 budget year, 4-H will provide funds for this project, with payment to Durham County Cooperative Extension upon receipt of invoice(s).

North Carolina 4-H is pleased to partner with Kids Voting Durham to support the civic engagement and life skill development of our youth.

Sincerely,

Shannon McCollum, Ed.D.
Interim State 4-H Program Leader & 4-H Youth Development Specialist
