

Carolyn Kreuger, Kids Voting, Durham
Durham County Cooperative Extension
721 Foster Street
Durham, NC 27701

Dear Carolyn,

This letter serves as an acknowledgement of the partnership between NC State Extension 4-H and Durham County Cooperative Extension's Kid's Voting Durham program in FY 2025-26 to provide a local elections experience for youth across North Carolina, as a regional collaborative extension of Kids Voting Durham's existing civic education work.

NC Extension 4-H will initially provide \$5000 in funding in support of this program. The funding covers staff, contractor, and any other costs incurred by Durham County to sustain the program and partnership this Fall.

This letter serves as a reference for these funds to support Kid's Voting Election project. 4-H will provide the funds for this project with payment to Durham County Cooperative Extension upon receipt of an invoice(s).

North Carolina 4-H is pleased to partner with Kid's Voting Durham to support the civic engagement and life skill development of our youth.

Sincerely,
Michael J. Yoder, Ph.D.
Associate Director, State 4-H Program Leader
