

SCOPE OF SERVICES FORM

This Scope of Services is an integral part of this contract between the **Sheriff of Durham County**, a constitutional officer of the State of North Carolina, (hereinafter referred to as “COUNTY”) doing business as the **County of Durham**, and **Axon Enterprise, Inc.** a corporation duly authorized to do business in the state of North Carolina, (hereinafter referred to as “CONTRACTOR”). which contract is dated November 1, 2025. Contractor agrees to provide services and/or materials pursuant to the provisions set forth below.

I. Background/Purpose: *(Why - Provide a brief description of the services being procured.)*

The Durham County Sheriff’s Office provides a variety of less-lethal use of force options, such as the Advanced TASER Electronic Control Device, (ECD) manufactured by AXON. The current ECD have reached their end life cycle and require replacement. AXON has a product that fits the needs of the agency to replace the existing ECD. With this new contract, AXON will provide us with the equipment, training, and resources needed over the next 10 years to cover any Agency needs.

II. References: *(Identify/attach additional documents relevant to this contract, i.e., quotes, proposals, etc.)*

The following documents are incorporated herein by reference to them:

- **Attachment 1B:** Axon PowerPoint
- **Attachment 1C:** Axon Master Services Agreement
- **Attachment 1D:** Axon Sole Source Letter

III. Work/Requirements: *(What/Where - Be as detailed as possible in describing the work.).* The Contractor shall provide the necessary labor, security, permits and safety measures as required to perform the following:

AXON will provide the number of ECDs and equipment specified in attachment 1A. Tasers and equipment will be issued by DCSO Taser Instructors to deputies/detention officers who have completed Taser Training. Training is provided in-house by certified Taser Instructors granted such permission through AXON. DCSO will ensure deputies and detention officers complete an annual refresher class each year taught by a Taser Instructor to maintain their certification.

Once the Tasers are procured from AXON, all deputies and detention officers that will be authorized to carry a Taser will have to complete the Taser 10 transition course taught by a Taser Instructor. After completion of this course, the deputy or detention officer will then be certified to carry the Taser 10. This transition to the new Taser 10 for the entire Agency will take about 4 months.

IV. Schedules/Timelines: *(When – Provide a timetable to complete the work and any phases and/or deadlines.)*

Upon date of procurement through purchase order, delivery of product will be within a reasonable time not to exceed 90 days. AXON product will be received and inventoried by DCSO.

V. Transmittal/Delivery/Accessibility: *(How - Describe delivery methods for reports or deliverables. Include contact information of department procuring the services. Describe if County property is to be provided or access to the property, and how that will be handled, i.e. keys, holidays, security measures.)*

AXON products will be delivered to the Durham County Sheriff's Office at 510 S. Dillard Street (Loading Dock Area) attention of Lieutenant J.P. Carden 919-560-0931 or Quartermaster 919-560-0967. Tracking delivery is required. Notification window for delivery date and time is required for alignment to receive goods.

VI. Payment: *(Include Rate of payment, Time for payments and Methods of payment.)*

Please see Section 3 of original Service contract regarding payment terms.
