 ANNOUNCEMENT

NCSU Employee Appreciation Week

 Tyrone Fisher · May 6 · [Notified 19 people](#)

Hello CEDs,

This is Employee Appreciation Week. We may have verbally and/or written informed you that we were trying to send each office a check for \$12 per person for each state-supported position. Well, they have started the process, and unfortunately, you will not get that check this week, but you will get it in 30 days.

You can buy any gifts (that is ethical) for your staff; no recordkeeping or documentation is needed. You may organize an outing or event for your entire staff as well. You may share the funds with non-state-supported staff.

For those near NCSU, look for a list of activities your staff may be able to do a half-day trip to campus.

Someone, please reply to let me know when you receive your check so others can be on the lookout.

Thank you for all that you do!

tlf

May 6

Lori Davis

And for area agents, the funds from campus will go to the home county.

May 6

Wykia Macon, 4-H Agent

When we say "state-supported position" does that mean NCSU & A&T staff or only NCSU employees?

May 6

Tyrone Fisher, District Extension Director

CORRECTION: I have been told after researching that NCSU will do \$12 per person for everyone on staff, regardless of funding source. I cannot speak on what list or source they will use to generate each county check.

May 6

Lori Davis

Vance Co will receive \$72 for 6 employees.

May 30

Tyrone Fisher, District Extension Director

Has anyone received their county check?

May 31

Bryan Cave

Yadkin has not
