

Agenda Action Form Overview

The Board is requested to approve this Budget Ordinance Amendment No. 26BCC012 Public Health to Recognize \$3,200 from the NC DHHS Division of Public Health Chronic Disease and Injury Section/ Cancer Prevention and Control Branch

Background/Justification

The North Carolina Breast and Cervical Cancer Control Program (NC BCCCP) began in North Carolina in 1992 and continues to provide services to underserved North Carolina women. Funding is received through a competitive grant from the Centers for Disease Control and Prevention (CDC). This program was the first chronic disease screening program funded in the United States.

The goal of NC BCCCP is to reduce the morbidity and mortality due to breast and cervical cancers in individuals by providing breast and cervical cancer screening services, diagnostic services, and patient navigation services for eligible underserved individuals of North Carolina.

Policy Impact

Recognition of these funds are in line with current Board policy and do not require an exception.

Procurement Background

Not Applicable

Fiscal Impact

Recognizing these revenues for the current fiscal year will allow for additional funding needed to support breast and cervical cancer screenings.

Recommendation

The County Manager recommends the Board Budget Ordinance Amendment No. 26BCC012 Public Health to Recognize \$3,200 from the NC DHHS Division of Public Health Chronic Disease and Injury Section/ Cancer Prevention and Control Branch
