Customer agrees that it will pay any such increase in Convergent's initial pricing of obtaining the products above the proposal pricing upon which the quote or agreement was based, by change order or otherwise, and Convergent agrees that it shall make commercially reasonable efforts to minimize any such increase.

Title

Throughout this Proposal, including these Terms and Conditions and any attachments, (together, "Agreement") the term "Convergent" refers to the Convergent Technologies affiliate operating in the state/province in which the Work is being performed and "Convergent Related Parties" means Convergent and its contractors, subcontractors, third party product manufacturers or providers.

SECTION 1. THE WORK

This Agreement takes precedence over and supersedes any and all prior proposals, correspondence, and oral or written agreements or representations relating to the work set forth in the attached scope of work ("Work"). This Work commences on the start date and will be performed pursuant to the schedule specified in the attached scope of work and, subject to any change orders or addendums, represents the entire agreement between Convergent and Customer.

This Agreement is made without regard to compliance with any special sourcing and/or manufacturing requirements, minority or disadvantaged supplier requirements, or similar government procurement laws. Should such requirements be applicable to this Agreement, Convergent reserves the right to modify and/or withdraw its Agreement.

Customer understands that Convergent is an authorized distributor or reseller and not the manufacturer or developer ("OEM") of software, hardware and equipment (collectively, "Third Party Products") purchased by Customer and certain services are delivered to Customer by such OEM.

No monitoring services, including UL listed monitoring, are included in the Work. Any such services shall be governed and provided by a separate agreement.

Convergent agrees in accordance with the mutually agreed project schedule:

- To submit shop drawings, product data, samples and similar submittals if required in performing the Work;
- To pay for all labor, materials, equipment, tools, supervision, programming, testing, startup and documentation required to perform the Work in accordance with the Agreement;
- Secure and pay for permits and governmental fees, licenses, and inspections necessary for proper execution and completion of the Work, unless local regulations provide otherwise; and
- Hire subcontractors and order material to perform part of the Work, if necessary, while remaining responsible for the completion of the Work.

Customer agrees in accordance with the mutually agreed project schedule, and at no cost to Convergent:

- To promptly approve submittals provided by Convergent;
- To provide access to all areas of the site which are necessary to complete the Work;
- To supply suitable electrical service as required by Convergent;
- To remove site obstacles and job safety hazards;
- To promptly participate and approve acceptance testing, if applicable;
- Upon completion of commissioning or agreed to acceptance criteria, to promptly provide sign-off establishing job closeout; and
- That in the event of any emergency or systems failure, reasonable safety precautions will be taken by Customer to protect life and property during the period from when Convergent is first notified of the emergency or failure and until such time that Convergent notifies the Customer that the systems are operational or that the emergency has cleared.

THE WORK AND/OR THIRD PARTY PRODUCTS ARE DESIGNED TO HELP REDUCE, BUT NOT ELIMINATE RISKS OF LOSS RELATING TO CUSTOMER'S PREMISES OR THIRD PARTIES. THE AMOUNTS BEING CHARGED BY CONVERGENT ARE NOT SUFFICIENT TO GUARANTEE THAT LOSS OR DAMAGE WILL DECREASE OR BE ELIMINATED. Customer acknowledges that proper safety and security requires a layered approach of people, processes, safety, and technologies. The Work, including Third Party Products, provided by Convergent is not sufficient to ensure overall safety and security. Customer acknowledges and agrees that it is responsible for its overall safety and security, including testing and maintenance of the Third Party Products (except to the extent contracted to Convergent by written agreement). Customer acknowledges and agrees that it has a duty of care and is solely responsible for its compliance with applicable laws, rules, and regulations, including but not limited to export and re-export restrictions and regulations, privacy and data protection regulations, applicable OEM instructions, terms and conditions, EULAs, and proper product usage.

Risk of loss, including any Third Party Product comprising the Work, shall pass to Customer as the Work is completed and the materials are incorporated into the Work at Customer's site subject to any end user license agreements. If or Third Party Products are earlier stored on Customer's site pursuant to agreement between Customer and Convergent, risk of loss with respect to such or Third Party Product shall pass to Customer upon delivery to Customer's site.

SECTION 2. PRICING

Pricing and amounts proposed shall remain valid for 30 days unless otherwise specified. Price includes only the Third Party Products listed based on Convergent's interpretation of plans and specifications unless noted otherwise. Additional Third Party Products, unless negotiated prior to order placement, will be billed accordingly. Sales taxes (or as applicable GST, PST, VAT or similar tax) and any other taxes assessed on Customer shall be added to the price upon invoice to Customer.

SECTION 3. INVOICE REMITTANCE AND PAYMENT

Customer agrees to pay Convergent fifty (50%) percent of the total price as a mobilization fee at the time of executing this Agreement.

If the Work is performed over more than one month, Convergent will invoice Customer each month for the Work performed during the previous month. Customer agrees to pay the amount due to Convergent as invoiced, within thirty (30) days of the date of such invoice. If the Work is completed in less than one month, Customer agrees to pay Convergent in full after the Work has been completed within thirty (30) days of the date of invoice. Invoices shall not be subject to a project retention percentage and payment to Convergent shall not be conditioned on payment by an upstream party. If Customer is overdue in any payment, Convergent shall be entitled to suspend the Work without liability until paid, charge Customer an interest rate 1 and 1/2% percent per month (or the maximum rate permitted by law, whichever is less), and may avail itself of any other legal or equitable remedy. Customer shall reimburse Convergent costs incurred in collecting any amounts that become overdue, including attorney fees, court costs and any

other reasonable expenditure.

SECTION 4. WARRANTY

Warranties for Convergent's services and Third Party Products are described in the Limited Warranty for Products and Services available at <https://www.convergent.com/terms/>, which is in effect as of the effective date of this Agreement and is incorporated by reference as if set forth herein in full.

SECTION 5. CHANGES

Without invalidating this Agreement or any bond given hereunder, Customer or Convergent may request changes in the Work with a change order signed by both parties. If Customer orders (i) any changes to the Work (e.g. change in objective, deliverables, tasks or hours), (ii) changes to schedule (extension or acceleration), or (iii) causes any material interference with Convergent's performance of the Work, Convergent shall be entitled to an equitable adjustment in the time for performance and in the Price, including a reasonable allowance for overhead and profit.

SECTION 6. FORCE MAJEURE

Neither Customer nor Convergent shall be liable for any delay or failure in the performance of their respective obligations pursuant to this Agreement due to circumstances beyond their reasonable control ("Force Majeure") and without the fault or negligence of the party experiencing such delay. A Force Majeure event shall include, but not be limited to: acts of God, pandemic or epidemic, diseases, quarantines, unavoidable casualties, concealed conditions, acts of any civil or military authority; riot, insurrections, and civil disturbances; war, invasion, act of foreign enemies, hostilities (regardless of whether or not war is declared), rebellion, revolution, terrorist activities; strikes, lockouts or other labor disputes; embargoes; shortage or unavailability of labor, supplies, materials, equipment or systems; accident, fire, storm, water, flooding, negligence of others, vandalism, power failure, installation of incompatible equipment, improper operating procedures, source current fluctuations or lighting, transportation contingencies; laws, statutes, regulations, and other legal requirements, orders or judgements; acts or order of any government or agency or official thereof, other catastrophes or any other similar occurrences. If performance by either party is delayed due to Force Majeure, the time for performance shall be extended for a period of time reasonably necessary to overcome the effect of the delay and Convergent shall be entitled to an equitable adjustment of the Price.

SECTION 7. INSURANCE

In lieu of any Customer insurance requirements, for Services performed in the United States, Convergent shall maintain the following insurance coverages during the term of this Agreement and upon request, shall provide certificates of insurance to the Customer:

Worker's Compensation	Statutory Limits
Employer's Liability	\$1,000,000 per occurrence/aggregate
Commercial General Liability	\$1,000,000 per occurrence \$2,000,000 general aggregate
Automobile Liability	\$1,000,000 per occurrence/aggregate
Excess/Umbrella Liability	\$3,000,000 per occurrence/aggregate

Commercial General Liability policy shall name the Customer as "additional insured" on a primary/noncontributory basis with respect to liability arising out of the Services, as applicable, but only to the extent of liabilities falling within the indemnity obligations of Convergent pursuant to the terms of this Agreement. Convergent shall not provide loss runs or copies of its insurance policies. Convergent shall provide to the Customer no less than thirty (30) days' notice prior to the termination or cancellation of any such insurance policy. For services performed in Canada, Convergent shall maintain similar insurance coverage dependent upon the local requirements in Canada and upon the insurance available under Convergent's insurance program. All required insurance coverage shall be reasonable in the circumstances and compliant with local regulations.

SECTION 8. INDEMNIFICATION
