Budget Work Session - Day Two

"Public Charge"

The Board of Commissioners asks its members and citizens to conduct themselves in a respectful, courteous manner, both with the Board and fellow citizens. At any time, should any member of the Board or any citizen fail to observe this public charge, the Chair will ask the offending person to leave the meeting until that individual regains personal control. Should decorum fail to be restored, the Chair will recess the meeting until such time that a genuine commitment to the public charge is observed.

"Land Acknowledgment"

As we convene for the Durham County Commissioners meeting, it's crucial to recognize the painful truth of history. We stand on the stolen ancestral lands of the Catawba, Eno, Occaneechi, Shakori, and Tuscarora peoples, whose deep connection to this land predates our arrival. We acknowledge with humility the unjust displacement and violence that occurred, leading to the dispossession of indigenous peoples from their homelands. Their resilience in the face of such adversity is a testament to their strength and spirit.

May we humbly honor the ancestors and elders of these nations, both past and present, by committing ourselves to fostering understanding, healing, and justice for all who inhabit this land. Let us walk forward together with open hearts, acknowledging the past and embracing a future guided by compassion, respect, and unity.
