"Public Charge"

The Board of Commissioners asks its members and residents to conduct themselves in a respectful, courteous manner, both with the Board and fellow residents. At any time, should any member of the Board or any resident fail to observe this public charge, the Chair will ask the offending person to leave the meeting until that individual regains personal control. Should decorum fail to be restored, the Chair will recess the meeting until such time that a genuine commitment to the public charge is observed.

"Land Acknowledgment"

As we convene for the Durham County Commissioners meeting, it's crucial to recognize the painful truth of history. We stand on the stolen ancestral lands of the Catawba, Eno, Occaneechi, Shakori, and Tuscarora peoples, whose deep connection to this land predates our arrival. We acknowledge with humility the unjust displacement and violence that occurred, leading to the dispossession of indigenous peoples from their homelands. Their resilience in the face of such adversity is a testament to their strength and spirit.

May we humbly honor the ancestors and elders of these nations, both past and present, by committing ourselves to fostering understanding, healing, and justice for all who inhabit this land. Let us walk forward together with open hearts, acknowledging the past and embracing a future guided by compassion, respect, and unity.

Authorize the County Manager to Execute a Purchase of Goods Contract with GreenTech Solutions Group, LLC for the 500 E Main Street Parking Deck Electric Vehicle Charging Stations in the amount of \$75,684.65 plus contingency with a Not to Exceed amount of \$80,684.65

Agenda Text:

The Board is requesting approval of the Purchase of Goods and Services contract with GreenTech Solutions Group, LLC for the purchase of 12 Blink Dual Port Power

Electric Vehicle Charging Stations includes Installation, Commissioning, 1 year warranty, 1-Year Network Service and, Consulting, remote system monitoring and reporting from Contract #042221-SEM Contract for the procurement of: Electric Vehicle Supply Equipment and Related Services for the 500 East Main Street Deck (located at 114 S. Elizabeth St.). for the 500 East Main Street Deck (located at 114 S. Elizabeth St.) Durham, NC in the amount of \$75,684.65 plus owners contingency at \$5,000 to execute any other related EV items that may arise for proper installation, if necessary, not to exceed the total amount of \$80,684.65. The funding for the Electric Vehicle Chargers and Installation is in the 500 E. Main St. Deck Capital Project account.

As part of the County's Renewable Energy Initiatives and Goals, the County is pursuing an increased number of EV Charging stations to be included in this project. The purchase and installation of the stations are outside of the Developer's scope and are being purchased by Durham County, allowing us to take advantage of lower costs through the State Contract referenced above. At the conclusion of the installation, these charging stations allow us to have over 2.5% of the spaces within the deck to have EV charging capabilities and the electrical infrastructure has been upgraded to allow us to expand to 10% in the future if necessary.

This deck development agreement was approved by the BOCC during the December 13, 2021, Regular Session meeting and the project has obtained a Certificate of Occupancy. The project team is currently addressing closeout/occupancy required items needed allow full functionality of the deck and is slated to open to the Public on August 25, 2025. Because EV Charging technology is ever evolving, it makes sense to purchase these later in the construction process in attempt to have the latest technology possible.

North Carolina General Statute 143-129(e) (9) allows local governments to be exempted from competitive bidding requirements in lieu of purchasing furnishings/equipment through NC State Contract.

Alignment with Strategic Plan: This item aligns with Durham County Strategic Goal: Sustainable Infrastructure & Environment. This strategic goal is being used to aid the County in reaching our Renewable Energy Goals while significantly reducing Greenhouse Gas Emissions.

The regular 12-month contract term (July 1 - June 30), contract total will be \$413,502.03. This contract amendment will be an additional \$7,774.40 for Janitorial Porter Services.

On April 1, 2025, Durham County advertised Request for Proposals (RFP No. 25-043) for Janitorial Services on the eBid system. A site visit of the new facility to receive janitorial services was conducted from April 14-17, 2025, for interested bidders. By the May 8, 2025, submission deadline, nineteen (19) bidders responded. An evaluation committee consisting of six (6) Durham County employees reviewed all proposals and convened on June 18, 2025, to deliberate on recommendations. Following committee review, H3 Cleaning Solutions was selected, and the Fiscal

Year 2026 contract was fully executed on August 15, 2025.

[25-0475](#) **Resolution - Supporting State Funding for the Supplemental Nutrition Assistance Program (SNAP) (10min)**

Agenda Text: The Board is requested to adopt a resolution supporting state funding for the Supplemental Nutrition Assistance Program (SNAP).

The recent passage of H.R.1, or the One Big Beautiful Bill Act of 2025, introduced numerous changes to the Supplemental Nutrition Assistance Program (SNAP). One significant provision in H.R.1 is the shift of some SNAP benefit costs to the states for the first time in program history. The North Carolina Department of Health and Human Services estimates that this change will cost the state \$420 million each year beginning in FY 2027-2028. If the state chooses not to appropriate this funding, SNAP would be eliminated, which would result in devastating food security and economic consequences for Durham and other North Carolina communities. This resolution calls for the North Carolina General Assembly to appropriate the necessary funding in the state budget to continue the SNAP program.

Alignment with Strategic Plan: This item most closely aligns with DCo Forward Healthy & Inclusive Community (HI 1a, HI 1b, HI 3b) and Empowered Community (EC 1c, EC 1d, EC 2a, EC 2b) initiatives.
