

**Agenda Action Form Overview**

The Board is requested to adopt the Local Water Supply Plan for Rougemont Water System and sign the Resolution for submission to North Carolina Department of Environmental Quality (NCDEQ). On February 25, 2026, NCDEQ approved the plan. A copy of the Local Water Supply Plan, the approval letter from NCDEQ, and the Resolution are attached.

**Background/Justification**

A Local Water Supply Plan is an assessment of a water system’s current and future water needs and the ability to meet those needs. North Carolina General Statute 143-355(l) requires all local governments that provide public water services to prepare a Local Water Supply Plan. The plan is required to meet the minimum requirements to be approved by NCDEQ and then must be adopted by the water system’s governing board.

**Policy Impact**
