Dear Purchasing Division:

Subject: Good Faith Effort Waiver

In regard to the Durham County Emergency Medical Services – Bid Number 24-008, Bound Tree Medical is willing to engage in good faith conversations with MWBE and SDVOBS vendors for the purposes of subcontracting the bid award to such MWBE and SDVOBS entities.

While Bound Tree Medical has expended significant efforts in the past to solidifying a relationship with MWBE and SDVOBS, it has not been able to so for the following reasons:

1. There are a limited number of certified MWBE and SDVOBS who are currently engaged in wholesale distribution of medical devices; and
2. The resources made available by the County to identify and contact minority groups was not functional during this bid process. We did bring this to the county's attention. Bound Tree Medical, LLC. is willing to pursue relationships with minority groups through working with Durham County when resources become available.
3. Bound Tree Medical, LLC. does successfully utilize minority subcontractors in other regions and will continue to pursue this endeavor as willing and able sub-contractor are realized.

1. TERMS.

- A. The Seller, in consideration of the sum of _____ (\$_____), hereby sells to Purchaser the goods and services at the times, in the manner, at the prices, and at the place(s), pursuant to the provisions and specifications as set forth herein. **No charges of any kind not appearing in this contract will be accepted or paid by Purchaser.** It is Purchaser's discretion to accept items shipped in excess of the quantity ordered and any over shipment may be returned at Seller's expense.
- B. The effective date of this Contract shall be the date first set forth above in the preamble to this Contract, irrespective of the date of execution by the parties. The first date written above is _____. All renewal or non-renewal periods or deadlines stated in this Contract, if any, shall be calculated based on the "effective date" indicated above.

The Term of this Purchase of Goods contract is from _____ to _____, unless sooner terminated as provided herein.

- C. Shipments received prior to delivery date without previous approval by Purchaser may be returned or stored at Seller's expense.
- D. A Funds Reservation number may be assigned to encumber the funds associated with this contract and must appear on all crates, packages, packing slips, invoices, and correspondence shipped or mailed to Purchaser. All items will be accompanied by assembly instructions and operating and repair manuals, as applicable. Purchaser's count will be accepted as conclusive on all shipments not accompanied by a packing slip.
- E. The parts, material, and workmanship of all items are subject to inspection, testing and counting by Purchaser. Purchaser may reject for full credit or require prompt correction or replacement at Seller's expense, including the expense of unpacking, examining, repacking, storing and transporting of any item defective in material or workmanship or otherwise not in conformity with Bid No _____ (if applicable) or specifications provided by Purchaser. Goods will be delivered to the Purchaser in new condition and undamaged (unless otherwise specified by Purchaser).
- F. This order to Seller is not transferable or assignable without the written permission of Purchaser. Seller is an independent contractor and is not an agent or employee of Purchaser.
- G. Seller warrants that it is the sole owner of the described goods and that it has the unrestricted right to convey a clear title to the Purchaser free and clear of all encumbrances.

2. **CHANGE:** Purchaser reserves the right to change, modify and/or cancel this order upon issuance of a change order. If the Purchaser is not notified to the contrary in writing within 10 days after the issuance of the change order, the changed and/or modification and/or cancellation is considered accepted by the Seller.
3. **WARRANTY OF GOODS AND MATERIALS:** Seller expressly warrants that all goods, provided or used by the Seller will: conform to the drawings, specifications, samples or other descriptions furnished by the Purchaser or by the Seller; meet requirements detailed in the scope of work; be of good materials and workmanship and free from defect. This express warranty shall not be waived by reason of acceptance of the goods or payment made by the Purchaser. Seller also warrants that all items sold or furnished under this order have been produced, sold, delivered and furnished in compliance with all applicable laws and regulations.

THE SELLER WARRANTS THE MERCHANTABLE QUALITY OF THE GOODS SOLD HEREUNDER AND THAT SUCH GOODS ARE FIT FOR THE PURPOSES FOR WHICH THEY WERE PURCHASED. SUCH WARRANTIES ARE IN ADDITION TO ALL EXPRESS WARRANTIES AND WILL RUN TO THE BENEFIT OF THE PURCHASER. THE SELLER'S PERIOD OF WARRANTY WITH RESPECT TO EACH ITEM WILL BE AT LEAST AS LONG AS THAT OF THE MANUFACTURER OF SUCH ITEM, AND SELLER WILL HONOR SAME.

4. **INDEMNITY.** To the fullest extent permitted by law, PURCHASER hereby reserves the right to recover legal expenses including attorney fees, litigation expenses and court costs as well as actual damages or losses suffered by PURCHASER, if SELLER is found to be a proximate cause of damages or losses suffered by PURCHASER, resulting from SELLER's performance during the execution of this Contract.
5. **INSURANCE.** Seller shall procure and maintain for the duration of the contract the following insurance coverage from an insurance company(s) possessing a rating of A-VII or higher from the A.M. Best Company and licensed to do business in North Carolina. All of the policies required of the Seller shall contain a waiver of subrogation provision to waive all rights of recovery under subrogation or otherwise against the Purchaser. In the event Seller's Insurance Policy or Certificate of Insurance conflicts with the aforesaid language concerning "waiver of subrogation" this contract shall govern. Seller shall advise the Purchaser of any cancellation, non-renewal, or material change in any policy within ten (10) days of notification of such action and provide updated certificates of insurance evidencing renewals within fifteen (15) days of expiration. Seller's insurance shall be primary and any insurance or self-funded liability programs maintained by the Purchaser shall not contribute with respect to the Seller's insurance. Purchaser shall not be listed as an additional insured on any Insurance Policy or Certificate of Insurance of the Seller. In the event Seller's Insurance Policy or Certificate of Insurance conflicts with the aforesaid language concerning "additional insured" this contract shall govern.

5.1 Commercial General Liability: Insurance Services Office (ISO) Form CG 00 01 on an "occurrence" basis, including products and completed operations, property damage, bodily injury, and personal & advertising injury with limits no less than \$1,000,000 per occurrence and \$2,000,000 aggregate.

5.2 Commercial Automobile Liability: ISO Form CA 00 01 covering any auto with limit not less than \$1,000,000 per accident for bodily injury and property damage.

5.3 Worker's Compensation and Employers Liability: as required by The State of North Carolina, with statutory limits, and Employers Liability Insurance with a limit of no less than \$1,000,000 per occurrence.

By requiring insurance herein, the Purchaser does not represent that coverage and limits will necessarily be adequate to protect Seller, and such coverage and limits shall not be deemed as a limitation on Seller's liability under the indemnities granted to the Purchaser in this Contract. Seller shall provide the Purchaser a valid certificate of insurance, in advance of the performance of any work, exhibiting coverage required. Seller shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein.

The failure of the Purchaser at any time to enforce the insurance provisions, to demand such certificates of insurance, or to identify a deficiency shall not constitute a waiver of those provisions, nor reduce the obligations of the Seller to maintain such insurance or to meet its obligations under the indemnification provisions. Notwithstanding the foregoing, nothing contained in this section shall be deemed to constitute a waiver of the governmental immunity of the Purchaser, which immunity is hereby reserved to the Purchaser.

6. **TERMINATION.** The Purchaser may, by written notice, terminate this contract in whole or in part, for failure of Seller to perform, including failure to deliver as and when specified. If so terminated, Seller shall be liable for all damages, including, without limitation, 1) the excess cost of re-procuring similar goods or services, 2) shipping charges for any items the Purchaser may at its option return to Seller, including items already delivered but for which Seller no longer has any use because of default, 3) amounts paid by Purchaser for any items it has received but returns to Seller, and 4) any other damages permitted by applicable law. Purchaser shall have the right to pursue any remedies provided by applicable laws.
7. **EXISTENCE.** Seller warrants that it is a corporation or otherwise legal entity duly organized, validly existing, and in good standing under the laws of the State of ____ and is duly qualified to do business in the State of North Carolina and has full power and authority to enter into and fulfill all the terms and conditions of this Agreement.
8. **COMPLIANCE WITH LAWS.** Seller shall abide by all statutes, rules, regulations, laws, and executive orders Federal, State and Local as they relate to, but are not limited to, (i) services in general, (ii) payment of employees, subcontractors and agents, (iii) the Occupational Safety and Health Administration, (iv) the Fair Labor Standards Act, and (v) the Wage and Hour Division. In the event Seller is determined by the final order of a court or appropriate agency to be in violation of any Federal, State or Local statute, rule, regulation, law or executive order or this provision, this Contract may be canceled, terminated or suspended in whole or in part by COUNTY and Seller may be declared ineligible for further COUNTY contracts.
9. **E-VERIFY.** As a condition of payment for services and/or goods received under this agreement, Seller shall comply with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes. Further, if Seller provides the services and/or goods to the County utilizing a subcontractor, Seller shall require the subcontractor to comply with the requirements of Article 2 of Chapter 64 of the North Carolina General Statutes as well. Seller shall verify, by affidavit, compliance of the terms of this section upon request by the Purchaser.
10. **EMPLOYMENT ADVERTISING REQUIREMENTS.** Seller shall post local job openings, in connection with this contract, with the City of Durham's Office of Economic and Workforce Development, the North Carolina Department of Commerce-Division of

Employment Services (formerly ESC, Employment Security Commission) and with the Durham County Department of Social Services throughout term of this Agreement; provided that the foregoing requirement does not limit Seller's ability to advertise and/or otherwise post job openings with other organizations or media outlets.

- 11. SECURITY BACKGROUND CHECKS.** The Seller is responsible for requesting and paying for criminal history checks on all individuals providing services under this contract who will be obtaining County identification badges and allowed unescorted access to County facilities. Background checks can be provided by any vendor, or from a North Carolina State agency, providing that the criminal history check is done nationwide. The Sheriff's Office will conduct background investigations for those employees of the Seller who will be working at the Courthouse or Detention Center. A criminal history will not automatically disqualify a Seller employee from employment on a County contract unless explicitly mandated by law.

The Seller will send the results of the background checks, prior to commencing work at Durham County Government, to their County point of contact who will provide them to the Durham County Security Manager. The Security Manager will individually assess and determine the degree to which the nature of a person's criminal conduct has a direct and/or specific negative bearing on a person's fitness or ability to perform contract services in Durham County buildings. The Security Manager will consult the Legal Office, as needed, on any negative determinations. The Security Manager will notify the Seller's County point of contact of the results of the review. A Seller can appeal a negative determination by the Security Manager to the County Manager or his designee for final disposition. Appeals need to be submitted in writing to the contract point of contact within 30 days of notice of a decision to remove or deny an individual from working the County contract due to adverse information in the background check.

This information shall be updated annually by the Seller, 90 days prior to the renewal or extension of the contract and submitted to their County point of contact who will provide them to the Durham County Security Manager. Personnel without a currently approved background check will have their access to those buildings disabled.

Additional background screening may be necessary at specific county buildings. The Seller shall provide names of all individuals in the Contractor communications log and to the County Representative. This information will be reviewed annually.

For those Seller's employees who will be working at the Courthouse or Detention Center, the Sheriff's Office will make the security determination. The Seller will provide the results of their background check to the Major for Support Services who will conduct an additional investigation and then individually assess and determine the degree to which the nature of a person's criminal conduct has a direct and/or specific negative bearing on a person's fitness or ability to perform contract services in the Courthouse or Detention Facility. A Seller can appeal a negative determination to the Chief Deputy for final disposition. Appeals need to be submitted in writing to the Chief Deputy within 30 days of notice of a decision to remove or deny an individual from working the contract due to adverse information in the background check. While an appeal is pending, the employee will not be allowed access to the Courthouse or Detention Facility.

This information will be updated by the Seller and submitted to the Sheriff's Office annually, 90 days prior to the renewal or extension of the contract. Personnel without a currently approved background check will have their access to those buildings restricted.

- 12. DISPUTE RESOLUTION PROCEDURE.** To prevent disputes and litigation, it is agreed by the parties that any claim or dispute between the Purchaser and the Seller, arising from this Agreement or the services and/or goods being provided by the Seller, shall be sent to the Durham County Manager who shall appoint a qualified mediator to address the issue. Such request shall be submitted to the County Manager in writing within ten (10) days of the claim or dispute. Upon receipt of a timely written claim, the Manager, or his designee, shall notify the Mediator who will conduct a mediation and notify the Seller in writing of the decision within forty five (45) calendar days from the date of the submission of the claim or dispute, unless the Mediator requires additional time to gather information or allow the parties to provide additional information. The Mediator's orders, decisions and decrees shall be non-binding. Mediation, pursuant to this provision, shall be a pre-condition to initiating litigation concerning the dispute. During the pendency of any dispute and after a determination thereof, the parties to the dispute shall act in good faith to mitigate any potential damages including utilization of schedule changes and alternate means of providing the services and/or goods. The costs of the mediation shall be divided equally between the parties to the dispute.

The mediation session shall be private and shall be held in Durham County, North Carolina. Mediation under this provision shall not be the cause for a delay of services and/or goods being provided which is the focus of the dispute.

If the disputed issue cannot be resolved in mediation or either party disagrees with the results of the mediation, the parties may seek resolution in the General Court of Justice in the County of Durham and the State of North Carolina. If a party fails to comply in strict accordance with the requirements of this provision, the non-complying party specifically waives all of its rights provided hereunder, including its rights and remedies under State law.

- 13. NOTICES.** All notices which may be required by this contract or any rule of law shall be effective when received by certified mail sent to the following addresses:

RE: Price Increase Policy

To Whom It May Concern:

As you are well aware, the COVID-19 pandemic has had a considerable impact on the global supply chain of emergency medical products, leading to limited access of personal protective equipment ("PPE") and other crucial supplies for the EMS market. While the supply chain looks to be improving in some areas, Bound Tree is still experiencing extended lead times and product shortages on PPE and other critical supplies. Additionally, there have been significant shipping costs imposed by manufacturers. Despite the current market dynamics, Bound Tree has been working daily with our supplier partners to secure additional inventory at reasonable costs.

Even with our proactive efforts to source inventory, many of our key supplier partners have increased prices and others have signaled additional price updates will be coming, some of which may be significant. In the event such a price increase occurs after the bid award, Bound Tree will notify you of such increase and will make all efforts to provide adequate documentation from the supplier as evidence of the price modifications. The new contract pricing will then go into effect based on the notification period provided in the contract. If the price increase is not accepted, Bound Tree reserves the right to remove the product(s) from the contract or provide an alternative product, which may come at a different price.

Sincerely,

Christopher Fyffe

VAWD Certified State and Nationally Licensed

Several of Bound Tree's Distribution Centers have received VAWD (Verified - Accredited Wholesale Distributors) accreditation from the National Association of Boards of Pharmacy (NABP). VAWD accreditation is achieved after a criteria compliance review that includes a rigorous evaluation of operating policies and procedures, licensure verification, survey of facility and operations, background checks and screening through the NABP Clearinghouse. Our accreditation demonstrates that we are in compliance with state and federal laws and that our prescription drugs are distributed safely and securely.

Compliant with DSCSA Requirements

Under the Drug Supply Chain Security Act (DSCSA), entities in the supply chain including manufacturers, wholesale distributors, and dispensers have responsibilities to meet the requirements of the DSCSA. As of May 1, 2015 all wholesalers are required by law, under the DSCSA, to provide transaction information, transaction history and transaction statements for the pharmaceuticals that they supply.

Bound Tree is compliant with these FDA standards which helps improve patient protection by preventing the distribution of substandard or ineffective drugs and while providing our customers with the product and transaction information they need to be in compliance with the FDA standards.

Under the DSCSA you are responsible for knowing that your prescription drug wholesale distributor is an authorized trading partner who holds a valid state or federal license. Bound Tree Medical is licensed federally and in all 50 states. Purchasing from a licensed and VAWD accredited distributor like Bound Tree Medical makes great strides to ensure none of your purchases will ever be counterfeit, contaminated, improperly stored and transported, ineffective, and/or unsafe.

Wholesaler Distributor licenses can be searched online:

The DEA's CSOS program is the only allowance for electronic ordering of Class II controlled substances. To participate in CSOS, the DEA registrant must first acquire a CSOS digital certificate from the DEA. Once the certificate is received, Class II orders can be placed through our secured website: e222.boundtree.com

**YOUR PARTNER
IN EMS.**

Current situation.

- **Financial challenges plague EMS** across all delivery models; rural EMS is in a crisis. Low reimbursements from CMS & commercial insurers, frequently below the cost of the care provided, and lack of funding to support EMS have been the primary contributing factors.
- **High levels of stress, fatigue and burnout** among the EMS workforce. Workforce shortages as reported in national news are exacerbating an already very challenging environment.
- **EMS is a small percentage** of the consumption of PPE within the healthcare market and was left under-allocated for PPE during the pandemic.
- **EMS impacted by shortages and short expiration dates** on critical cardiac arrest and respiratory therapy drugs. Pharmaceutical companies prioritize large hospital GPOs & IDNs over EMS.
- **Inefficiencies in using the Strategic National Stockpile** to provide critical PPE to EMS agencies who were the "Tip of the Sword" during the pandemic.
- **Community paramedicine** remains an underutilized asset in local healthcare systems due to the lack of reimbursement for this highly cost effective, patient-centered type of care.

Advocating for EMS.

- **Increased sourcing efforts** during the pandemic, making financial investments in PPE inventory.
- **Partnered with US government** to address challenges in getting FDA-approved products, given significant counterfeit in N95 masks and gloves.
- **Volunteered to assist FEMA, HHS, DHS, DoD, FDA and CDC officials** as "Voice of EMS" for Committee for the Distribution of Medical Resources Necessary to Respond to a Pandemic, advocating for effective distribution of PPE to first responders.
- **Advocated for increased allocation and funding** for EMS and hardest-hit communities through outreach to over 35 congressional offices.
- **Providing critical data monthly** to HHS Preparedness and Response teams, providing them greater visibility of PPE needs for EMS during the COVID-19 pandemic, as well as future pandemics and natural disasters.
- **Working with the Federal Maritime Commission** and west coast terminal operators to prioritize essential medical supplies at US ports.

How Congress can help.

- **Adjust the ambulance fee schedule** to cover the cost of the emergent, urgent and preventive care provided by EMS, and include reimbursement for treatment in place, transport to alternate designations, telemedicine facilitation, and community paramedicine.
- **Support Bound Tree's efforts** with pharmaceutical companies and the FDA to prioritize production of key lifesaving drugs for EMS at reasonable costs, as well as to reduce the amount of "short expiration dates."
- **Fully fund the SIREN Act** (Support and Improving Rural EMS Needs) in FY2022.
- **Support efforts to strengthen** America's Strategic National Stockpile by directing SNS to partner with healthcare distributors to manage PPE during pandemics and natural disasters.
