TITLE AND SECURITY INTEREST: Seller retains title to all goods until Buyer has performed all of its obligations under this agreement and the purchase price of the goods and related services has been fully paid to the Seller. Seller retains security interest in the goods, all accessories, replacements of the proceeds from the goods as security for the performance by Buyer of all of the Buyer's obligations arising under this agreement and the purchase order.

No failure by any party to insist upon strict compliance by the other party with any of the term, provisions or conditions of this Agreement, in any instance, shall be construed as a waiver or relinquishment by either party of the other party's right to insist upon strict compliance therewith in the future.
