County of Durham,

Cornerstone Detention Products has Sub-Contracted our padded cell projects to the same Company for many years and feel very confident that they will do an outstanding job at the Durham County Jail. Unfortunately, neither they nor us have any Minority status. To the best of our knowledge there are only two companies in the US that do padded cell installation and neither of them is a Minority owned company. We would not feel comfortable looking for and hiring someone that we have never worked with to do your project anyway.

Sincerely,
