

Triangle Land Conservancy's Purchase and Protection of 50 acres at 5017 Dunwoody Road (a portion of REID 192123)

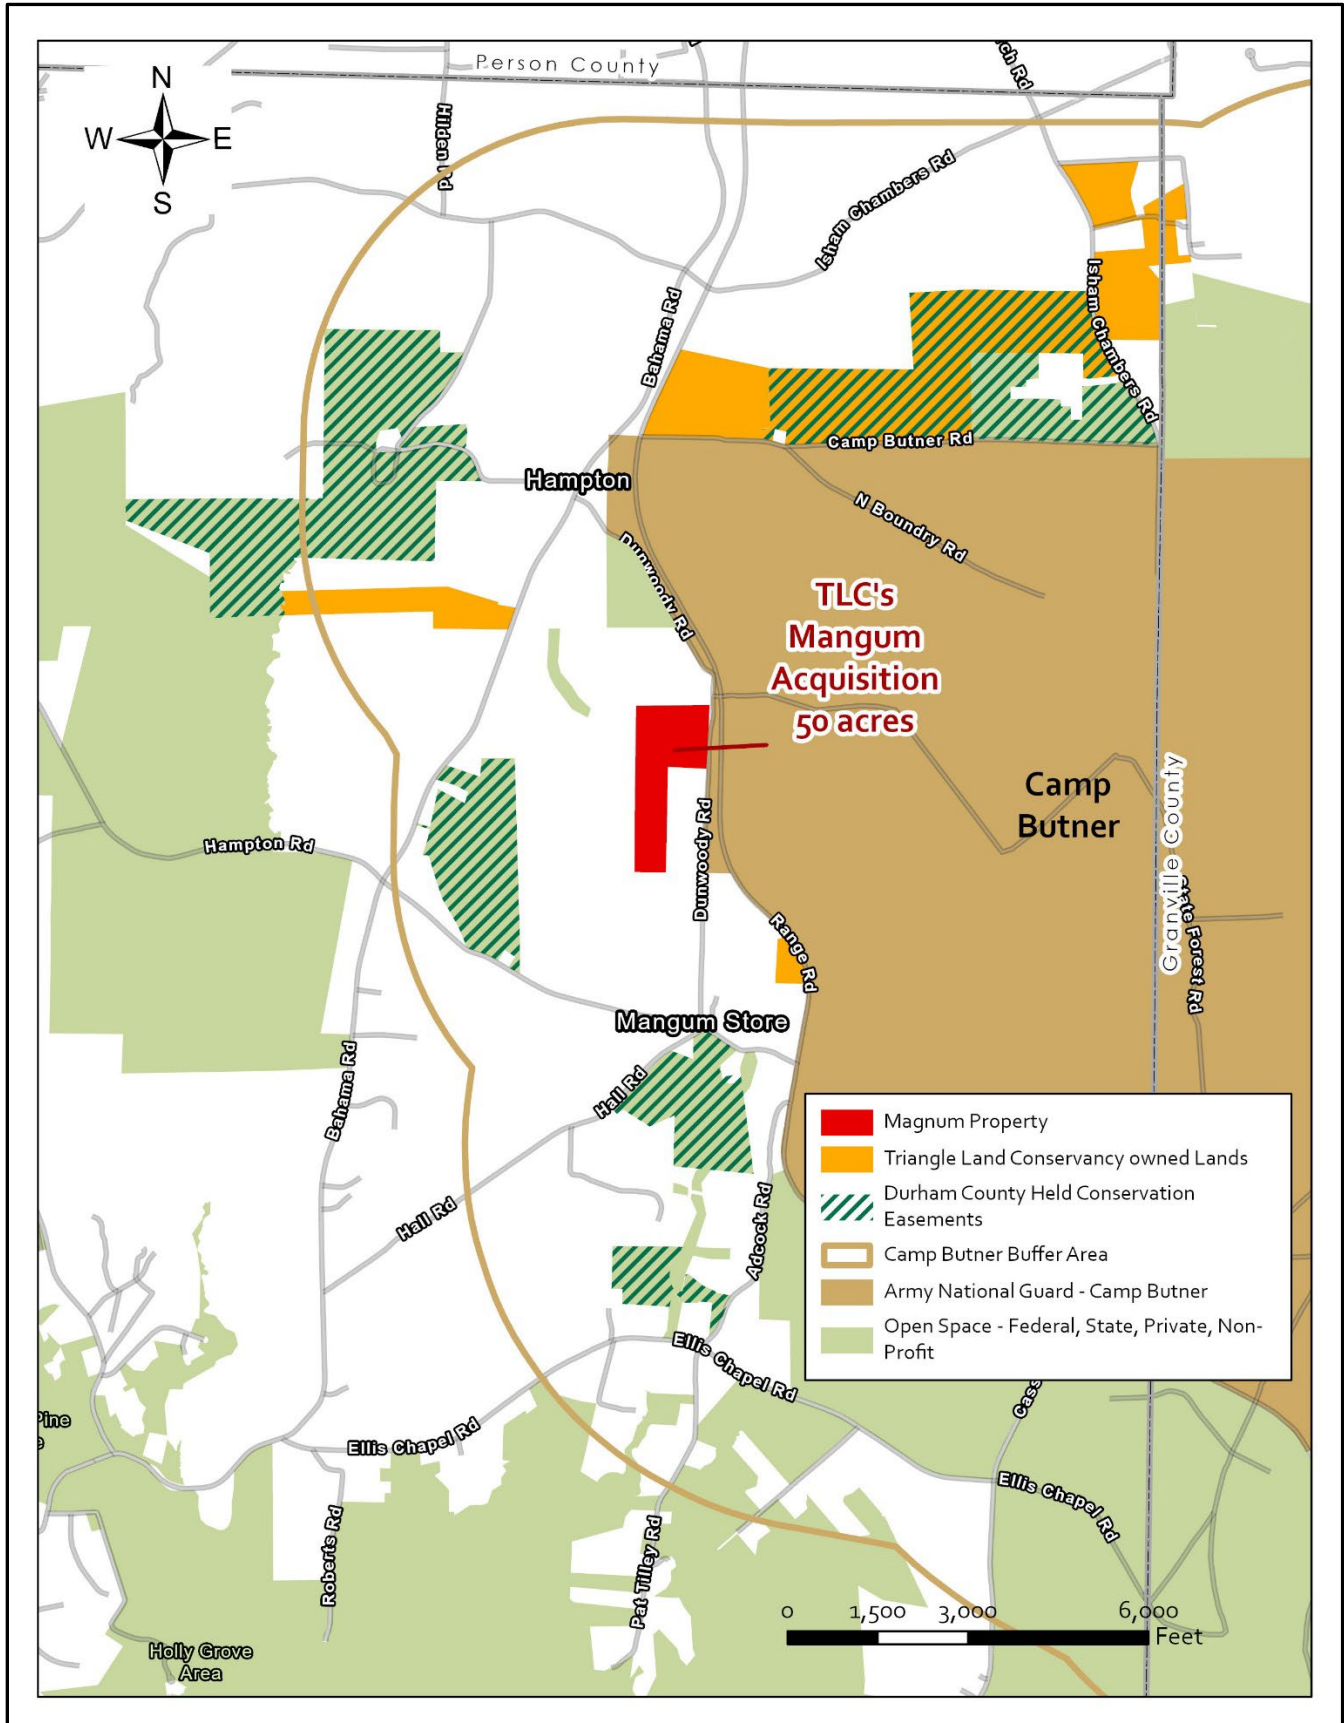

Triangle Land Conservancy's Purchase and Protection of 50 acres at 5017 Dunwoody Road (a portion of REID 192123)

The Mangum property contains over 2,300 feet of stream along an unnamed tributary of the Flat River. This tributary flows into Lake Michie, a primary drinking water source for the City of Durham. The parcel is a high priority for protection for both Durham and Raleigh watershed protection programs.
