18-0947

Lease Agreement with Coastal Horizons Inc. at the Criminal Justice Resource Center

Agenda Text:

The Board is requested to approve a revised Lease Agreement with Coastal Horizons Center, Inc. and authorize the Manager to execute the lease. The lease will be for five office spaces within the Criminal Justice Resource Center (CJRC) located at 326 E. Main Street, totaling approximately 625 square feet. Coastal Horizons Center, Inc is the authorized provider for Durham's Treatment Accountability for Safer Communities (TASC) Program. The mission of North Carolina TASC program is to provide care management services to drug-involved and mentally ill offenders. The TASC program works closely with the Criminal Justice Resource Center pursuant to a Memorandum of Understanding and has had staff located at CJRC

since the creation of the department. Continuing to co-locate the TASC program with CJRC greatly enhances the communication and coordination of services for the clients served since almost all TASC clients require services from CJRC.

In the revised lease, the lease rate will be increased from \$660 per month to \$781.25 per month, which is roughly market rate. In addition, it has become apparent over the last several years that while there are many benefits to having TASC co-located in the CJRC building, there is also an administrative impact on CJRC staff when the TASC client load is greatest. The attached new lease includes a new administrative charge of \$522.67 per month (a total of \$6,272 per year) to address some of proportional expenses of security and reception services for a total monthly charge of \$1,303.92. Both the lease rate and the administrative charge will increase by 3 percent for each successive year.

The lease term is for one year from September 1 through August 31, 2019, and provides for the option to renew for four additional one-year periods. Pursuant to NC General Statute §160A-272, a notice of the County's intent to lease the space has been previously published in the newspaper.

Alignment With Strategic Plan: Leasing five offices within CJRC to Coastal Horizons Center, Inc. supports Goal 3: Safe Community by enhancing the efficiency of the provision of services to the target population assisted by both programs.

Resource Persons: Gudrun Parmer, Director Criminal Justice Resource Center; Jane Korest, Open Space and Real Estate Division Manager; Nancy Mitchell, Sr. Real Estate Officer.

County Manager's Recommendation: The County Manager recommends that the Board approve the proposed Lease Agreement with Coastal Horizons Center Inc. for office space at 326 East Main and authorize the Manager to execute the lease.

Agenda Text:

The Board is requested to approve a one-year service agreement with Innovative Emergency Management, Inc. (IEM) totaling \$49,946.61 to develop a Durham City/County Disaster Recovery Plan. Durham Emergency Management is responsible for the response, recovery, and mitigation of any hazards which could pose issues to the citizens of Durham County. The County recently completed an overhaul of the City/County Emergency Operations Plan in Fiscal Year (FY) 2018 to address local government's response to a disaster. The County collaborated with Orange and Alamance Counties in FY16 to create the Eno-Haw Hazard Mitigation Plan to address impact mitigation in the event of a disaster. Awarding this contract will allow Emergency Management to address a gap in planning in the recovery area and returning the City and County to a new normal post-disaster response.

IEM was unanimously chosen by a 16-person, multi-agency, multi-jurisdictional panel. They were deemed the most qualified firm for the project based on their methodology on accomplishing the work, their subject matter experts who have

relatable recovery planning expertise, significant experience supporting local government on projects of a similar size and scope, and the overall cost to accomplish the work. Durham County has previously contracted with IEM to complete Emergency Action Plans for County Administration Building I, Human Services Complex, and County libraries.

Agricultural Lands Easement (ALE) Grant Award and 2018 Cooperative Agreement for the Scottie McFarland Farm Addition

Agenda Text:

The Board is requested to approve a 2018 Cooperative Agreement between the County and the United States by and through the Commodity Credit Corporation (CCC), for \$47,295 to provide federal grant support towards the protection of the Scottie McFarland farm in northern Durham with a permanent conservation easement. The CCC is the federal entity that disburses grant funds under the federal Agricultural Lands Easement Program (ALE). The grant funds are awarded to reimburse Durham County for 50 percent of the approved appraised value for the acquisition of a conservation easement on 10 additional acres of the Scottie McFarland farm, for a total of 91 acres.

The Board of County Commissioners previously approved the acquisition of a conservation easement on the 81 acres of the Scottie McFarland farm in 2014, with ALE grant funds awarded in September 2016 to pay for 50 percent of the cost of that easement. The funding for the county's share of the conservation easement was approved from the open space and farmland capital project at that time. The attached federal cooperative agreement award for \$47,295 will pay for 50 percent of the cost of the appraised value of the additional easement acreage at the time of closing. The federal ALE funds are distributed as a "pass through" to the state's Natural Resources Conservation Services (NRCS) offices, which administers the program and awards the grants. The funds are paid at the time the easement on each farm is conveyed. The county's matching funds for the easement was previously set aside from the open space and farmland capital project account when the option to purchase the easement was previously approved by the Board, so no additional funding is needed for this easement.

Alignment With Strategic Plan: This conservation easement helps to implement Strategic Plan Goal 4: Environmental Stewardship and Community Prosperity, by increasing the amount of open space and farmland that has been protected by Durham County. The federal funds in this cooperative agreement supports Goal 5: Accountable, Efficient and Visionary Government by leveraging additional funding to stretch county open space funding.

Resource Persons: Jane Korest, Division Head for Open Space & Real Estate;

Celeste Burns, Open Space Coordinator, Peri Manns, Deputy Director of Engineering and Environmental Services

County Manager's Recommendation: The County Manager requests that the Board approve the 2018 Cooperative Agreement between Durham County and Commodity Credit Corporation for the amount of \$47,295, to authorize the County Manager to execute the Cooperative Agreement, as well as the corresponding conservation easements on the Scottie McFarland farm. A final budget for the farm easement will be brought back to the Board prior to closing.

Second Public Hearing for CDBG Neighborhood Revitalization Grant Application

Agenda Text:

The Board is requested to hold the required public hearing, receive any input that is offered, and approve the attached resolution supporting this application.

Durham County is an eligible applicant for up to \$750,000 from the North Carolina Department of Commerce as part of their CDBG Neighborhood Revitalization program. Since 2013, all funds from this state program had been re-allocated to water infrastructure projects (such as our Rougemont Water System), but Commerce has been convinced to put some of it back into neighborhood revitalization. The program allows a broad range of uses to be funded. The funds that Durham County would be eligible for can only be used outside of the City limits.

The County, working with the Triangle J Council of Governments (TJCOG) and local housing non-profits, is applying for \$750,000 / 3-year neighborhood revitalization grant. Two public hearings to receive input on the application are required. This is the second of the two public hearings.

The proposed application is for \$750,000 to provide home repairs for approximately 23 homeowners over the 30-month grant period. Nine percent of the total funding amount would be used for administration costs. A second potential use of funding for acquisition / rehabilitation of affordable housing was proposed, but a viable project was not able to be identified in time for the grant deadline, thus the full amount of funding would go towards home repair and improving coordination between partners.

For the purposes of this grant as well as the Impediments to Fair Housing Choice Study and update to Durham County's Fair Housing Plan, we will be working with

WR-Martin and TJCOG to broadly disseminate and advertise a simple housing survey to collect additional information over the next several months.

Alignment With Strategic Plan: Helping our community maintain a good sized stock of decent, affordable housing supports all five goals of our Durham County strategic plan.

Resource Persons: Drew Cummings, Chief of Staff

County Manager's Recommendation: The County Manager recommends that the Board hold the required public hearing, receive any input that is offered, and approve the attached resolution supporting this application.
