Meeting Agenda Board of County Commissioners

Tuesday, November 13, 2018

7:00 PM

Commissioners' Chambers

Regular Session (Tuesday Meeting Date)

“Public Charge”

The Board of Commissioners asks its members and citizens to conduct themselves in a respectful, courteous manner, both with the Board and fellow citizens. At any time, should any member of the Board or any citizen fail to observe this public charge, the Chair will ask the offending person to leave the meeting until that individual regains personal control. Should decorum fail to be restored, the Chair will recess the meeting until such time that a genuine commitment to the public charge is observed.

As a courtesy to others, please turn off cell phones during the meeting.

2019 General Reappraisal Schedule of Values - Approval

Agenda Text:

The Board is requested to adopt the proposed schedules of values, standards, and rules to be used for the 2019 Reappraisal, as submitted to the Board at its September 24, 2018 meeting, and to advertise the adoption of the rules in a manner consistent with North Carolina General Statutes 105-317(c)(3), which provides:

When the board of county commissioners approves the final schedules, standards, and rules, it shall issue an order adopting them. Notice of this order shall be published once a week for four successive weeks in a newspaper having general circulation in the county, with the last publication being not less than seven days before the last day for challenging the validity of the schedules, standards, and rules by appeal to the Property Tax Commission. The notice shall state:

- a. That the schedules, standards, and rules to be used in the next scheduled reappraisal of real property in the county have been adopted and are open to examination in the office of the assessor; and
- b. That a property owner who asserts that the schedules, standards, and rules are invalid may except to the order and appeal therefrom to the Property Tax Commission within 30 days of the date when the notice of the order adopting the schedules, standards, and rules was first published.

Alignment With Strategic Plan: The public hearing is required by state statute, and is also consistent with Goal 5, Accountable, Efficient and Visionary Government.

Resource Persons: Kimberly Simpson, Durham County Tax Administrator

County Manager's Recommendation: The County Manager recommends that the Board adopt the proposed schedules of values, standards, and rules for the 2019 General Reappraisal; and that the Board direct staff to publish in the Durham Herald-Sun a notice of the adoption in a manner consistent with NCGS 105-317(c) (3).

18-1035 **Budget Ordinance Amendment No. 19BCC000014 - Fiscal Year (FY) 2017-2018 Encumbrance Rollover**

Agenda Text:

The Board is requested to approve Budget Ordinance Amendment No. 19BCC000014 for Fiscal Year (FY) 2018-19, amending the budgets for the outstanding encumbrances at fiscal year-end FY 2017-18.

Encumbrances outstanding at fiscal year-end represent obligations/commitments entered into by the County for either services not yet completed or performed, or goods not yet received. These moneys must be restricted in the fund balance within the equity section of the balance sheet for FY 2017-18 to honor these obligations/commitments once completed and/or received. These encumbrances outstanding at year-end do not represent expenditures or liabilities. These encumbrances outstanding are included in the amount reported as "Restricted Stabilization by State Statute" in the fund balance section of the Balance Sheet in the Comprehensive Annual Financial Report (CAFR).

According to generally accepted accounting principles (GAAP), governmental type funds are the only funds to record encumbrances in the CAFR. However, during the fiscal year, the County maintains encumbrances (purchase orders and service

contracts) for all fund types (funds and sub-funds) to ensure funds are set aside for obligations and commitments appropriately at the time that they are ordered and/or entered into.

Because these encumbrances lapse at year-end and are re-appropriated in the subsequent fiscal year, they do not affect unassigned fund balance. It is merely a re-appropriation in the subsequent fiscal year of funds for obligations and commitments for goods and services already ordered but not yet received in the prior fiscal year. Encumbering these funds is a statutory requirement.

Therefore, authorization is requested to amend the following funds' budgets in FY 2018-19 to honor the outstanding purchase orders and service contracts as of the end of FY 2017-18:

General Fund (1001010000) \$ 4,929,091.26

Risk Management Fund (1001020000) \$82,727.76

Benefits Plan Fund (1001500000) \$69,632.18

Sewer Utility Fund (6006600000) \$926,101.06

Total \$6,007,552.26

Alignment With Strategic Plan: This request relates to the following elements of the Durham County Strategic Plan: the effort aligns with Goal 5 (Accountable, Efficient, and Visionary Government).

Resource Persons: Susan Tezai, Chief Financial Officer and Keith Lane, Budget and Management Services Director

County Manager's Recommendation: The County Manager recommends that the Board approve Budget Ordinance Amendment No. 19BCC000014.

Amendment to the Durham County Policy for Conveying County Owned Surplus Real Property

Agenda Text:

The County Manager recommends that the Board approve the revised Durham County Policy for Conveying County Owned Surplus Real Property.

The Board has expressed its commitment to support the provision of affordable housing. As part of this effort, the Board asked staff to draft a policy to prioritize the conveyance of County surplus property to the City for affordable housing development. The City's Community Development Department has significant expertise in affordable housing and is best positioned to evaluate non-profit providers and place appropriate requirements on the subsequent conveyances to ensure the property's use for affordable housing.

Under the proposed policy, properties that are not retained by the County for other public purposes are routed first to the City of Durham Department of Community

Development for affordable housing, then to other City Departments for other public purposes. Properties that are declined by the City would be made available to non-profit affordable housing providers as well. If no requests are made by any qualified non-profit providers, the property would then be declared surplus and made available for public purchase via the upset bid process.

The attached draft revised policy addresses this process, and would replace the current County policy on conveyance of surplus property which has been in place for some time without major modification. It would also replace a 2007 Durham County Policy for Conveying Real Property for Affordable Housing. The policy was first reviewed by the Board at the May 2018 work session. At that time, the Board requested several revisions, which are described in the attached memo and incorporated into the attached policy, as well as additional revisions requested at the November 5th work session.

Alignment With Strategic Plan: The attached policy supports Strategic Goal 1: Community Empowerment and Enrichment, Strategy 1.3.D on affordable housing, as well as Goal: 5 Accountable, Efficient and Visionary Government.

Resource Persons: Jane Korest, Open Space and Real Estate Manager; Nancy Mitchell, Senior Real Estate Officer, and Willie Darby, Senior Assistant County Attorney

County Manager's Recommendation: The County Manager recommends that the Board approve the revised Durham County Policy for Conveying County Owned Surplus Real Property.

Budget Ordinance Amendment No. 19BCC000017 - Budget Changes Related to Board of County Commissioner Policy on Capital Finance Program Dedicated Revenues, Transferring \$795,205 of General Fund fund Balance to the Capital Financing Fund

Agenda Text:

The Board is requested to approve Budget Ordinance Amendment No. 19BCC000017 appropriating \$795,205 of FY 2017-18 General Fund revenue, now residing in FY 2018-19 General Fund fund balance, and transferring it to the Capital Financing Fund to comply with the County's capital and debt financing policy.

As part of the Durham County Policy on financing capital projects, all collected Article 40 and 42 sales taxes are directed for support of capital projects and their related debt service. In Fiscal Year (FY) 2017-18, \$795,205 from these revenue sources was realized over what was budgeted to be collected in the General Fund (Fund 101), and per capital financing policy, needs to be transferred to the Capital Financing Fund (Fund 125) where they can be applied to debt service. Per Generally

Accepted Accounting Principles (GAAP) the revenues are recorded in the fiscal year that they apply, FY 2017-18. However, it is too late to amend the prior year budget to transfer the over realized funds in the prior fiscal year, therefore these monies have fallen to fund balance within the General Fund for the prior fiscal year (FY 2017-18). A budget amendment transferring these dollar amounts should be approved for the current fiscal year (FY 2018-19) and these monies transferred in the current fiscal year. Thus, the Board is requested to approve Budget Ordinance Amendment No. 19BCC000017 increasing the amount of FY 2018-19 General Fund (Fund 101) fund balance appropriated by \$795,205 and transferring those funds to the Capital Financing Fund (Fund 125).

Revenues per source collected over budgeted amounts:

Article 40: \$176,185

Article 42: \$619,020

Total: \$795,205

Moving these funds from the General Fund to the Capital Financing Fund will not affect the overall fund balance percentage for the General Funds, as both of these funds are accounted for in the overall fund balance percentage.

Alignment With Strategic Plan: This request relates to the following elements of the Durham County Strategic Plan: the effort aligns with Goal 5: Accountable, Efficient, and Visionary Government.

Resource Persons: Keith Lane, Director - Budget and Management

County Manager's Recommendation: The Manager recommends the Board of County Commissioner approve Budget Ordinance Amendment No. 19BCC000017 appropriating \$795,205 of FY 2017-18 General Fund revenue, now residing in FY 2018-19 General Fund fund balance, and transferring it to the Capital Financing Fund to comply with the County's capital and debt financing policy.

Contract Amendments to four Janitorial Contracts to Facilitate the Regular Cleaning of Admin II

Agenda Text:

The Board is requested to authorize the County Manager to amend and increase janitorial contracts for CJ Enterprise (increase \$14,894.60), Kreative Koncepts (increase \$27,456), B&R Janitorial (increase \$24,475) and Fredrick's Housekeeping (increase \$17,840) to provide janitorial services in the newly opened Admin. II building. These increases will accommodate janitorial services in the Admin. II building through January of 2019, which will allow adequate time for advertising of a new janitorial request for proposal (RFP) and selection of a sole contractor to provide janitorial services in the facility.

The areas of service and pricing break downs for each contractor are listed in the

attached table (Table 1). It is important to keep in mind that each floor/area served has a unique layout and characteristics regarding the type of space and daily occupancy.

All four contractors noted in Table 1 were impacted by the relocation of departments to the Admin. II building. Due to having a short time frame to solicit for formal bids through the RFP process and the urgent need for janitorial services, a decision was made by the General Services management team to split the building by floors and assign each contractor that was impacted a portion to service. Creation of a new RFP for janitorial services is currently underway which will be advertised to the public for solicitation of quotes from qualified bidders.

Alignment With Strategic Plan: This item aligns with Goal 2: Health and Well-being for All: Improve the quality of life through preventive, behavioral and physical care services. Reduce barriers to access services.

Resource Persons: Motiryo Keambiroiro, Director of General Services, Deborah Booth, Deputy Director of General Services, and Joel Jones, Quality Control and Contract Specialist

County Manager's Recommendation: The County Manager recommends that the Board authorize the County Manager to amend and increase janitorial contracts for CJ Enterprise (increase \$14,894.60), Kreative Koncepts (increase \$27,456), B&R Janitorial (increase \$24,475) and Freddrick's Housekeeping (increase \$17,840) to provide janitorial services in the newly opened Admin. II building, and to approve subsequent amendments to janitorial contracts within the General Services Budget.

18-1074 Machinery and Equipment Repair Contract Amendment with Pete Duty and Associates

Agenda Text: The Board is requested to authorize the County Manager to execute a contract amendment with Pete Duty Associates (FR# 19-119) to increase the existing service contract for machinery and equipment repair for the Triangle Wastewater Treatment Plant in the amount of \$53,235, bringing the total contract amount from \$107,472 to \$160,707 and to execute any other related contracts, including amendments, within budgeted appropriations.

Background

The Triangle Wastewater Treatment Plant is designed for four - 200HP pumps at the influent pump station. Currently, the Utilities Division maintains five working pumps on-site, one pump is a spare as required by Permit Number NC0026051. Four of these pumps failed between June 21, 2018 and September 10, 2018. One pump was removed from service due to failure to pump volume designed. Once removed, it was determined the impeller was bad as well as the cables needed to be replaced. The spare pump was put into service and immediately failed due to a seal failure. The third pump needing repair was moved into the pump location needed, and it also had a seal failure. The fourth pump ceased pumping, and the motor/impeller connection has failed. It is imperative that four pumps are operational with a spare, in case of an emergency. The original contract amount covered the repair of three pumps.

Alignment With Strategic Plan: This action is in accordance with Durham County Strategic Plan Goal 4: Environmental Stewardship and Community Prosperity, as this will ensure a clean environment by handling incoming wastewater during a storm event that could cause heavy rainfall resulting in a sanitary sewer spill at the head of the plant. No additional policy impacts are expected.

Resource Persons: Peri Manns ASLA, Interim General Manager; Kyle Manning PE, Senior Project Manager; and Greg Johnson, Utilities Superintendent

County Manager's Recommendation: The County Manager recommends that the Board authorize the County Manager to execute a contract amendment with Pete Duty Associates (FR# 19-119) to increase the existing service contract for machinery and equipment repair for the Triangle Wastewater Treatment Plant in the amount of \$53,235, bringing the total contract amount from \$107,472.00 to \$160,707 and to execute any other related contracts, including amendments, within budgeted appropriations.

18-1076**Machinery and Equipment Repair Contract Amendment with Alfa Laval Inc.****Agenda Text:**

The Board is requested to authorize the County Manager to enter into a contract amendment to increase the existing service contract with Alfa Laval Inc. (FR# 19-160) for machinery and equipment repair for the Triangle Wastewater Treatment Plant in the amount of \$20,800.31, bringing the total contract amount from \$35,831 to \$56,631.31.

Background

Durham County Triangle Wastewater Treatment Plant has strict biological nutrient

removal limits as defined in National Pollutant Discharge Elimination System (NPDES) Permit Number NC0026051. To meet these strict requirements, it's imperative to maintain a healthy biomass environment in the Biological Nutrient Removal Basins. To maintain a healthy biomass environment, some microorganisms are returned to the biological process, and some microorganisms are wasted to the Solids Handling Building. In the Solids Handling Building, there are three Alfa Laval centrifuges. The centrifuges are critical to the process for dewatering waste activated sludge. The initial contract for \$35,831 was based upon the unit requiring a basic overhaul. Once the equipment was disassembled and inspected by Alfa Laval, it was noted several parts had worn beyond repair and need replacement. The additional costs associated with the repair and replacement of the defective parts is \$20,800.31.

Alignment With Strategic Plan: This action is in accordance with Durham County Strategic Plan Goal 4: Environmental Stewardship and Community Prosperity, as these centrifuges are necessary for the Triangle Wastewater Treatment Plant to meet all permit limitations as specified in the facility's NPDES permit.

Resource Persons: Peri Manns ASLA, Interim General Manager; Kyle Manning PE, Senior Project Manager; and Greg Johnson, Utilities Superintendent

County Manager's Recommendation: The County Manager recommends that the Board authorize the County Manager to enter into a contract amendment to increase the existing machinery and equipment repair contract with Alfa Laval Inc. for the Triangle Wastewater Treatment Plant in the amount of \$20,800.31, bringing the total contract amount from \$35,831 to \$56,631.31.

18-1077 **Approval to use Technology Life-Cycle Capital and Current Operating Funds for Annual Microsoft Enterprise Agreement Payment of \$898,341.61**

Agenda Text:

The Board is requested to authorize the use of existing Technology Life-Cycle Replacement capital funds in the amount of \$800,000 and \$98,341.61 of current operational funds for this fiscal year for licenses and services for the Enterprise Agreement with Microsoft. Licenses and services will be purchased through SHI, per the State Convenience Contract 208C.

The Microsoft enterprise agreement keeps Durham County in line with the shift to cloud services and best practices across the private and government sectors including the City of Durham, Mecklenburg County, Wake County, Guildford County and many other counties and municipalities in North Carolina.

Alignment with Strategic Plan: Efficient and effective operations of business applications supporting citizens across our County departments aligns with Goal 5: Accountable, Efficient and Visionary Government of the Strategic Plan

Resource Persons: Greg Marrow, Chief Information Officer

County Manager's Recommendation: The County Manager recommends that the Board authorize the use of existing Technology Life-Cycle Replacement capital funds in the amount of \$800,000 and \$98,341.61 of current operational funds for this fiscal year for licenses and services for the Enterprise Agreement with Microsoft.

18-1079 **Facility Use Policy Updates to Include nine Conference Rooms for Administration Building II and Upgrade Fees**

Agenda Text: The Board is requested to update the Facility Use Policy update to include the nine-conference rooms constructed in Administration Building II and upgrade fees.

This policy was established to assure that certain facilities owned and operated by Durham County are utilized in a manner that has a public purpose that meets the needs and interests of the community, as well as to set clear policies, procedures, regulations and fees regarding such uses. This policy supersedes all other County and Department policies regarding the use of County facilities as defined in this policy. No Durham County public facility, regardless of its primary purpose, is exclusively reserved for use by a single interest group, organization or population group.

In 2014, the Facility Use Policy was established for the conference rooms throughout the organization. Durham County room rental rates are for public purpose use at nominal hourly cost. General Service is recommending the same room rates that were established in 2014 with hourly rates ranging from \$20 to \$50.

There is one rate that has been added which is the catering kitchen which is twice as large as the kitchen in the Human Services Building, the recommendation is to rent this for \$45 per hour. The last two rate changes are the rates for the Sheriff Officers from \$25 to \$30 and Security Officers \$24 to \$27.

Alignment With Strategic Plan: This item aligns with Goal 4: Environmental Stewardship and Community Prosperity Objective 4.3C Public Infrastructure; Provide high quality public infrastructure to facilitate and support provision of Outstanding County services.

Resource Persons: Motiryo Keambiroiro, Director General Services

County Manager's Recommendation: The County Manager recommends that the Board update the Facility Use Policy update to include the nine-conference rooms constructed in Administration Building II and upgrade fees.

18-1083 **Facility Use Policy Amendment 2 and Resolution Grant of Authority for the sale and Consumption of Alcoholic Beverages at 201 East Main Street Restaurants, Durham, North Carolina**

Agenda Text: The Board is requested to amend the Facility Use Policy and create a resolution to grant authority for the sale and consumption of alcoholic beverages at 201 East Main Street and the proposed two restaurant locations only.

In an effort to motivate restaurant business to lease space on the ground floor of the newly renovated Administration II building it was recommended by leasing agents to allow alcoholic beverages to be served within the restaurant facilities. By resolution beer, wine and liquor would be permitted within the restaurant, with the appropriate ABC license.

Alignment With Strategic Plan: This agenda item aligns with County's Strategic Goal 3: Safe Community.

Resource Persons: Willie Darby, Assistant County Attorney

County Manager's Recommendation: The County Manager recommends that the Board approve Facility Use Policy Amendment 2 and Resolution to Grant the Authority for the sale and consumption of alcoholic beverages at 210 East Main Street restaurants in Durham, North Carolina.

18-1091 **Budget Ordinance Amendment No. 19BCC000019 - Recognize Funds from United States Department of Justice in the Amount of \$91,016 for Integrated Reentry Services.**

Agenda Text: The Board is requested to approve Budget Ordinance Amendment No. 19BCC000019 in the amount of \$91,016 to recognize funds from the United States Department of Justice (USDOJ) for Integrated Reentry Services and establish a 1.0 full-time employee (FTE) provisional position to assist with planning and implementation of the grant.

The USDOJ awarded a three-year grant to Durham County to Improve Reentry for Adults with Co-occurring Substance Abuse and Mental Illness leaving the Durham County Detention Center. Year One of the grant will be used for planning the services and completing a Planning and Implementation (P&I) Guide. A project coordinator will work with local stakeholders and the School of Social Work at the University of North Carolina to design interventions and enhance services pre- and post-release.

Once the P&I Guide is submitted and approved by USDOJ, the remainder of the funding (\$658,755) will be released and available for the implementation phase of the project.

Alignment With Strategic Plan: This project aligns with the County's Strategic Goal 3: Safe Community and Goal 2: Health and Well-being for All.

Resource Persons: Gudrun Parmer, CJRC Director

County Manager's Recommendation: The County Manager recommends that the Board approve Budget Ordinance Amendment No. 19BCC000019 in the amount of \$91,016 to recognize funds from the US Department of Justice for Integrated Reentry Services and establish a 1.0 FTE provisional position.

Budget Ordinance Amendment No. 19BCC000018 - Recognize \$20,000 from the MacArthur Foundation and the Urban Institute for the Innovation Fund Capstone

Agenda Text:

The Board is requested to approve Budget Ordinance Amendment No. 19BCC000018 in the amount of \$20,000 from the John D. and Catherine T. MacArthur Foundation and the Urban Institute for the Innovation Fund Capstone.

In 2017, the John D. and Catherine T. MacArthur Foundation, through the Urban Institute, awarded Durham County an Innovation Fund grant to implement the Court Date Reminder Service. The remainder of the grant was used to enter into a Technical Assistance Agreement with the Pretrial Justice Institute.

The Pretrial Justice Institute (PJI) met with criminal justice stakeholders in May 2018 to discuss potential enhancements to and opportunities to improve consistency in the pretrial process. In August 2018, Durham County was awarded a \$20,000 Innovation Fund Capstone to continue working with PJI on improving the pretrial decision process and to implement an updated or new assessment tool.

Alignment With Strategic Plan: This agenda item aligns with County's Strategic Goal 3: Safe Community.

Resource Persons: Gudrun Parmer, CJRC Director and Christie Long, Pretrial Services Supervisor

County Manager's Recommendation: The County Manager recommends that the Board approve Budget Ordinance Amendment No. 19BCC000018 in the amount of \$20,000 from the John D. and Catherine T. MacArthur Foundation and the Urban Institute for the Innovation Fund Capstone.

18-1094 **Generator Inspection, Service and Repair Contract Amendment with National Power**

Agenda Text: The Board is requested to authorize the County Manager to execute this contract amendment with National Power (FR# 19-210) to increase the existing service contract for Generator Inspection, Repair, and Services for the Triangle Wastewater Treatment Plant and Collection System Pump Stations in the amount of \$31,594.24, bringing the total contract amount from \$30,000 to \$61,594.24, and to execute any other related contracts, including amendments, within budgeted appropriations.

Background

The Triangle Wastewater Treatment Plant (TWWTP) and Collection System Pump Stations are designed for continuous operation regardless of adverse weather events or utility power outages. The Utilities Division maintains four emergency generators at the TWWTP, and one emergency generator at each of the Divisions' 13 pump stations as required by National Pollutant Discharge Elimination System (NPDES) Permit Number NC0026051 and Collection System Permit Number WQCS00038. To maintain optimal redundancy and resiliency, all generators must be kept at peak performance.

During normal load testing for the solids building generator, the generator would not switch from emergency power to utility power automatically as designed. The programmable logic controller needs to be replaced to repair this issue. At Stirrup Iron Pump Station, the generator has a faulty voltage regulator which results in the generator operating at half of the designed power load.

Alignment With Strategic Plan: This action is in accordance with Durham County Strategic Plan Goal 4 "Environmental Stewardship and Community Prosperity," as these generators are necessary for the Triangle Wastewater Treatment Plant to meet all permit limitations as specified in the facility's NPDES permit.

Resource Persons: Peri Manns ASLA, Interim General Manager; Kyle Manning PE, Senior Project Manager and Greg Johnson, Utilities Superintendent

County Manager's Recommendation: The County Manager recommends that the Board authorize the County Manager to execute a contract amendment with National Power (FR-210) to increase the existing service contract for Generator Inspection, Service, and Repair for the Triangle Wastewater Treatment Plant and Collection system pump stations in the amount of \$31,594.24, bringing the total contract amount from \$30,000 to \$61,594.24, and to execute any other related contracts, including amendments, within budgeted appropriations.

18-1096 **Design Services Amendment for the Triangle Wastewater Treatment Plant Efficiency and Resiliency Improvements Project (RFQ 17-012)**

Agenda Text: The Board is requested to authorize the County Manager to enter into a contract amendment to increase the existing design consultant contract with Black & Veatch International Company (FR# 17-832) for the Efficiency and Resiliency Improvements Project (RFQ 17-012) in the amount of \$126,000, bringing the total contract amount from \$275,500 to \$401,500, and to execute any other related contracts, including amendments, not to exceed \$450,000.

Alignment With Strategic Plan: This action is in accordance with Durham County Strategic Plan Goal 4: “Environmental Stewardship and Community Prosperity,” as this project will ensure a clean environment by improving the sodium hypochlorite chemical controls and feed system at the Triangle Wastewater Treatment Plant.

Resource Persons: Peri Manns ASLA, Interim General Manager; Jay Gibson PE, General Manager; and Kyle Manning PE, Senior Project Manager

County Manager’s Recommendation: The County Manager recommends the Board to authorize the County Manager to enter into a contract amendment to increase the existing design consultant contract with Black & Veatch International Company (FR# 17-832) for the Efficiency and Resiliency Improvements Project (RFQ 17-012) in the amount of \$126,000, bringing the total contract amount from \$275,500 to \$401,500, and to execute any other related contracts, including amendments, not to exceed \$450,000.

18-1099 **Renewable Energy Resolution**

Agenda Text: The Board is requested to adopt a resolution calling for a transition to renewable energy in County operations, the state of North Carolina, utilities in North Carolina, and the Federal Government. The purpose of this transition is to significantly reduce greenhouse gas emissions and stimulate clean energy jobs.

The March 13, 2018 Joint City-County Committee meeting included a discussion regarding a proposed resolution setting forth an aspirational goal of transitioning to 100 percent renewable energy for government operations by 2050. Due to the significant uncertainty surrounding the renewable energy market, legal landscape in North Carolina, and even our own energy use, the resolution first calls for Durham “to establish a plan” to make progress in achieving this goal in the next 15-30 years.

The resolution calls for the plan to encompass five major guiding principles:

- 1) Include all sectors of energy use in the government sector
- 2) Be economically responsible
- 3) Be technologically feasible
- 4) Be equitable for all members of the community
- 5) Be transparent and inclusive

The development of such a plan is expected to cost up to \$40,000 and will help provide the County with more accurate cost assessments, based on the technical expertise of energy sector professionals. This plan will help the County understand and prioritize all the options, the impact of those options on the environment and equity, the cost of implementation including effects on utility rates, and possible options for financing.

Alignment With Strategic Plan: This item aligns with Strategic Plan Goal 4 (Environmental Stewardship and Community Prosperity) and Goal 5 (Accountable, Efficient, and Visionary Government)

Resource Persons: Tobin L. Freid, Sustainability Manager; Claudia Hager, General Manager of Financial Affairs, Process Improvement, and Government Efficiency; and Peri Manns, Interim Director of Engineering and Environmental Services

Resolution Supporting new Traffic Signal on Hopson Road

Agenda Text:

The Board is requested to approve the attached resolution supporting the installation of a new traffic signal on Hopson Road at the entrance to the Environmental Protection Agency (EPA) campus.

The National Institute of Environmental Health Sciences (NIEHS) requested this new signal from North Carolina Department of Transportation (NCDOT) at the intersection of Hopson Rd. with the entrance to the EPA / Biogen site. NCDOT has approved the installation and has all of the necessary funding required for its installation. All they require from Durham County is a resolution supporting its installation. A close-up design schematic as well as an aerial map of the location are attached for reference.

Alignment With Strategic Plan: Appropriate traffic control devices and installations support our public safety objectives in Goal 3: Safe Community of the Durham County Strategic Plan as well as the public infrastructure goals noted in Goal 4: Environmental Stewardship and Community Prosperity.

Resource Persons: Drew Cummings, Chief of Staff

Amendment to Environmental Affairs Board Structure

Agenda Text:

The Board is requested to approve an amendment to the City-County Environmental Affairs Board (EAB) Interlocal Agreement to expand the board to include three At-large seats and an Equity/Environmental Justice seat.

The EAB currently has eleven voting seats for residents and seven non-voting ex officio members. All the resident seats are designated to be filled by individuals with issue-area expertise. The City Council and County Commissioners each appoint five seats and the remaining seat is filled by the Soil and Water Conservation Board of Supervisors.

The EAB proposes to add three At-large seats to increase their capacity to address the range of environmental challenges Durham is facing and to allow for more public engagement in these issues.

The EAB also proposes to create an Equity/Environmental Justice seat to bring to the table expertise and a voice for those most affected by environmental degradation and environmental racism. While everyone benefits from a healthy environment, people of color and low-wealth communities often bear the brunt of environmental degradation. This happens for many reasons including the fact that land-uses with higher environmental impacts are frequently cited in low-wealth communities and communities with higher concentrations of people of color. In addition, people with

fewer resources are impacted more from pollution because they have less ability to avoid or mitigate pollution in their homes, commutes, and neighborhoods.

These changes will enable the EAB to be more flexible in addressing a wide range of environmental issues over time. The proposal includes recommendations that the City Council and County Commissioners each appoint one At-Large but leaves open the question as to which will appoint the Equity/Environmental Justice seat, and which will appoint the other At-large seat.

Alignment With Strategic Plan: This item aligns with Strategic Plan Goal 2: Health and Well-being for All, Goal 4: Environmental Stewardship and Community Prosperity, and Goal 5: Accountable, Efficient, and Visionary Government.

Resource Persons: Tobin L. Freid, Sustainability Manager; and Peri Manns, Interim Director of Engineering and Environmental Services

18-0992 Medicaid Transformation Update (30 min)

Agenda Text: The Board is requested to receive the presentation for informational purposes. No formal action is required.

Medicaid Transformation is a bold new direction for the delivery of Medicaid services in North Carolina, creating a true managed care system for recipients of the program. With the shift from "fee for service" to "managed care," there is the goal to improve overall health outcomes for the Medicaid population and increase and improve access to care and services. The Department of Social Services, in partnership with Durham County Public Health and Duke Division of Community Health, will provide an

overview of Medicaid Transformation and the changes both clients and providers will see over the next three years.

Alignment With Strategic Plan: This item aligns with Goal 2: Health and Well-being for All.

18-1095 Quarterly Update on Durham Pre-K (30 min)

Agenda Text: The Board is requested to receive this report and ask any questions they wish.

Child Care Services Association, Inc. (CCSA) went under contract in July 2018 to manage Durham County's expansion of high quality Pre-K. Part of their scope of work is to bring Commissioners and the public a quarterly, high level update on progress with this critical community project. Three months have passed, a great deal is going on, and it is time for the first quarterly update. The scope of work, which includes a variety of topics and timelines, is attached along with the first quarter's written update.

Alignment With Strategic Plan: A high quality Pre-K program should improve outcomes in Goals 1: Community Empowerment and Enrichment; Goal 2: Health And Well-being for All; and Goal 3: Safe Community of the Durham County Strategic Plan.

Resource Persons: Linda Chappel, Senior VP (CCSA); Alexandra Livas-Dlott, Durham Pre-K Manager; and Drew Cummings, Chief of Staff

18-1061 Made in Durham Youth Network Presentation (30 min)

Agenda Text: The Board is requested to receive the presentation from the Made in Durham Youth Network representatives and ask any questions they wish.

Made in Durham is a community partnership of educators, business, government, youth-serving nonprofits and young people mobilized around a shared vision that all of Durham's youth will complete high school, a post-secondary credential, and begin a

rewarding career by the age of 25.

The Made in Durham Youth Network derived from the organization's goal to "ensure youth and young adults in Durham inform and fully participate in creating and evaluating our education-to-career system." Diverse youth involved in the network meet twice each month to participate in trainings designed to enhance their skills for community analysis and leadership, lend their active voice in program and policy initiatives, as well as develop and implement action projects in their high schools.

The purpose of the presentation is to update the Commission on the current work of the Youth Network, including their current action projects as well as the Youth Network's views on the importance of the youth voice in designing and evaluating education to career systems.

Alignment With Strategic Plan: Made in Durham's work, including the work of the Youth Network, is strongly aligned with Goal 1 of the Durham County Strategic Plan (Community Empowerment And Enrichment).

Resource Persons: Casey Steinbacher, Executive Director; Daniel McKinney, Youth Engagement Strategist; and Sachdeep Singh and Alexis Plasencia Leos, Youth Network members

County Manager's Recommendation: The County Manager recommends that the Board receive the presentation from the Made in Durham Youth Network representatives and ask any questions they wish.

Agenda Text: The Board is requested to allow each Commissioner three minutes to report on conferences or make comments regarding issues that may be of interest or concern to the Board.

Alignment With Strategic Plan: This item aligns with Goal 5: Accountable, Efficient and Visionary Government.

Resource Persons: Board of County Commissioners

County Manager's Recommendation: The County Manager recommends that the Board allow comments from each commissioner and direct staff accordingly.

8. Public Hearings (30 min)

18-1109 Unified Development Ordinance Text Amendment, Private Streets (TC1800006)

Agenda Text: The Board is requested to conduct a public hearing and receive public comments on the *Unified Development Ordinance Text Amendment, Private Streets* (TC1800006); and

First Motion: To adopt the appropriate Statement of Consistency pursuant to NCGS §153A-341; and

Second Motion: To adopt an ordinance amending the *Unified Development Ordinance*, incorporating revisions to amend Article 12, Infrastructure and Public Improvements.

Summary. Text amendment TC1800006 is a privately-initiated request to amend paragraph 12.2.2, Other Forms of Access, to allow an additional instance where private streets would be allowed. Specifically, private streets would be allowed for single-family developments only when as an addition to an existing development that already has private streets and that crosses the county line where the adjacent county allows for private streets. This would apply only within the County jurisdiction (see Attachment A for the application, as amended). Additionally, existing text is revised to more explicitly require private streets to meet or exceed public street standards and adds specific certification criteria.

Attachment B: Statement of Consistency Pursuant to NCGS § 153A-341

Attachment C: An Ordinance to Amend the *Unified Development Ordinance* Regarding Private Streets (TC1800006)

Attachment D: Planning Commission Comments

Alignment With Strategic Plan: The text amendment emphasizes Goal 4 (Community Prosperity) by offering fair and reasonable regulations for the citizens and business community of Durham while adhering to Goal 5 (Accountable, Efficient, and Visionary Government) by maintaining a transparent government and welcoming public input.

Resource Persons: Michael Stock, AICP, Senior Planner, and Patrick Young, AICP, Planning Director.

County Manager's Recommendation: The County Manager recommends that the Board conduct a public hearing on the proposed *Unified Development Ordinance* text amendment and, if appropriate based on the comments received during the hearing, adopt the appropriate Statement of Consistency and approve the amendment.
