20-0338**Board of Elections Robert Half International Contract Amendment****Agenda Text:**

The Board is requested to approve the Durham County Board of Elections request to increase its service contract with Robert Half International Inc. a temporary employment agency. Robert Half has assisted the Elections Department in the past with identifying temporary employees to assist with election activities. The temporary employees will assist with the pre and post activities associated with the November 3rd General Election.

Due to COVID-19, there has been an increase in the number of requests for absentee ballots. Any registered voter of Durham County may make a request for an absentee ballot. Requests are made by completing an *Absentee Ballot Request Form* which is found on the Board of Elections website. Residents can email the Elections Department at absentee@dconc.gov or calling the office for additional assistance with ballot forms. Existing permanent staff and temporary staff will provide the customer service needed to respond timely to residents regarding election questions or concerns.

The planned expense was included in the FY 2020-21 operating budget. The Board is requested to suspend the rules and approve the contract amendment during the August 3rd work session due to the time sensitive nature of getting additional temporary assistance.

20-0343 **Budget Ordinance Amendment No. 21BCC000005 to Recognize Durham County Grant Revenue: "LSTA EZ Grant - Website Translation"**

Agenda Text: The Board is requested to approve Budget Ordinance Amendment No.21BCC000005 to recognize \$9,000 in grant revenue from the State Library of North Carolina to translate the library's website into Spanish.

The library's website is our virtual branch. Much like our physical branches allow people to come regardless of the language they speak, we want to ensure that our virtual branch is accessible in the same way. Approximately 34,617 people over age five in Durham County speak Spanish at home (United States Census Bureau, 2018). Of those, 51.3% or 17,759 people "speak English less than 'very well'" (United States Census Bureau, 2018). The website is a critical access point for understanding and utilizing the library's resources. Current options for Spanish speakers who need to

access the library's website are limited and based on confusing and often incorrect automated translations. This project will provide an accurate, user-friendly Spanish translation of the library's website.

This grant is made possible by funding from the federal Institute of Museum and Library Services (IMLS) under the provisions of the Library Services and Technology Act (LSTA) as administered by the State Library of North Carolina, a division of the Department of Natural and Cultural Resources (IMLS grant number LS-246155-OLS-20).

Agenda Text:

The Board is requested to approve Budget Ordinance Amendment No. 21BC000003 appropriating \$25,000 of Lebanon Fire District Fund fund balance and transferring these funds to the Lebanon Volunteer Fire Department. Due to COVID-19 they experienced some unanticipated overtime and personnel costs with their part-time (non-County) employees at Lebanon Volunteer Fire Department in FY 2019-20. Lebanon has twelve authorized County employees and will have some personnel lapse salary due to temporary firefighter attrition for FY 2019-20 that will default to their District Fund Balance, which will help offset this appropriation.

Alignment with Strategic Plan: Aligns with Goal 3 Safe Community and Goal 5 Efficient Government.

Resource Persons: James E. Groves, Emergency Services Director

County Manager's Recommendation: The County Manager recommends that the Board approve Budget Ordinance Amendment No. 21BC000003 appropriating \$25,000 of Lebanon Fire District Fund fund balance and transferring these funds to the Lebanon Volunteer Fire Department to cover District personnel costs.

Approval of FY20-21 Contract (\$352,182) with Urban Ministries of Durham

Agenda Text:

The Board is requested to review, ask questions about, and then approve the attached contract and authorize the County Manager to execute it.

Durham County has contracted with Urban Ministries of Durham (UMD) since its creation to help support the housing of homeless individuals in Durham at UMD's Liberty Street facility. The County owns the building where the shelter sits, and on top of annual operating support maintains major building systems and has made a number of substantial capital upgrades (including a new sprinkler system and lobby and café upgrades) in the past decade.

This year's annual contract includes flat funding compared to the previous fiscal year and similar program metrics as well. The County did offer UMD an additional \$100,000 in the final three months of FY19-20 to cover additional operational costs incurred at the Marriot RTP.

Alignment with Strategic Plan: A strong, functional homeless support system in Durham is responsive to many goals in the Durham County Strategic Plan Goals 1, 2, and 3.

Resource Persons: Drew Cummings, Chief of Staff

County Manager's Recommendation: The County Manager recommends that the Board review, ask questions about, and then approve the attached contract and authorize the County Manager to execute it.

Budget Amendment No. 21BC000004 to recognize \$219,744.29 in Federal Funding Provided by the Coronavirus Aid, Relief and Economic Security (CARES Act)

Agenda Text:

The Board is requested to approve budget ordinance amendment No. 21BC000004

recognizing a \$219,744.29 direct appropriation from the federal Department of Health and Human Services under the CARES Act. The Office of Emergency Service (OES), EMS Division, will receive the funding.

The CARES Act direct appropriation requires that the EMS funding be used to prevent, prepare for, and respond to Coronavirus. It can be used for health care related expenses or lost revenues that are attributable to Coronavirus. Within the constraints of the terms and conditions, OES is requesting that the funding be appropriated within the EMS Division as follows:

Personal Protective Equipment: \$150,000

Vehicle Supplies: \$10,000

Other Medical Supplies: \$59,744.29

CARES Act funding will be appropriated to several line items in the OES EMS Division budget. The personal protective equipment line item will provide funding to outfit responders with the necessary protection to respond to COVID-19 cases. The vehicle supplies line item will support a contract with an industrial cleaner to deep clean ambulances. Finally, the other medical supplies line item will provide budget relief for the increased costs associated with responding to COVID-19 calls.

Durham County must certify that it will not utilize the CARES Act appropriation to reimburse expenses or losses that have been reimbursed from other sources (i.e.; services for which Durham County has been reimbursed from healthcare insurance or other sources). Additionally, Durham County is not permitted to collect from a possible or actual case of COVID-19 patient for out-of-pocket expenses greater than the in-network benefit. In addition, there are reporting requirements to ensure compliance with the terms and conditions above, and OES will coordinate with Finance to ensure compliance with all of the reporting requirements.

Alignment with Strategic Plan: This request aligns with the County's Strategic Goal #2: Health and Well-being for All, Strategic Goal #3: Safe Community, and Strategic Goal #5: Accountable, Efficient, and Visionary Government.

Resource Persons: Jim Groves, OES Director and David McNulty, OES Business Services Manager

County Manager's Recommendation: The County Manager recommends that the Board approve budget ordinance amendment No. 21BC000004 recognizing a \$219,744.29 direct appropriation from the federal Department of Health and Human Services under the CARES Act to the Office of Emergency Services' EMS Division.

20-0350 **Budget Ordinance Amendment No. 21BCC000006 to Recognize Durham County Grant Revenue: Digital Collections and Large Print Funds from The Forest at Duke**

Agenda Text: The Board is requested to approve Budget Ordinance No. 21BCC000006 to recognize \$15,000 in grant revenue from the Durham Library Foundation awarded by The Forest at Duke. The funds are for the library to purchase ebooks, e-audio and large print books for the library's digital and large print collections during the fiscal year 2020-2021, ending June 30, 2021.

The first week the library was closed due to COVID-19, circulation of all Overdrive collections rose 32% over the prior week. In the month after the library closed on March 15, over 9,000 Durham County Library patrons checked out 43,000 ebook and e-audio titles and placed almost 25,000 holds.

Even after stay-at-home orders are lifted and the library reopens, demand for ebooks and e-audio will likely remain high as patrons may be cautious to return to public spaces or, in the case of those who previously had not used these collections, may find they prefer digital materials. Grant funding from The Forest at Duke for ebooks and e-audio will increase access and reduce wait times for both veteran and new users of these formats.

Prior to the closure due to the pandemic, the library experienced increased circulation of large print books from July 2019 through February 2020 as compared to the same period the previous fiscal year. Large print best sellers attract significant holds queues just as regular editions do, and these funds will enable selection librarians to purchase more titles and copies to support the ongoing interest of the community in large print materials.

Alignment with Strategic Plan: This aligns with Strategic Goal 5: Accountable, Efficient, and Visionary Government, Customer Engagement and Responsiveness.

Resource Persons: Tammy Baggett, Library Director; Kathy Makens, Resources and Finance Officer; and Sara S. Stephens, Development Officer.

County Manager's Recommendation: The County Manager recommends that the Board approve Budget Ordinance No. 21BCC000006 to recognize \$15,000 in grant revenue from the Durham Library Foundation awarded by The Forest at Duke.

Providing 24/7 coverage for the main lobby area translates to a \$118,184 increase. The additional security coverage is a continuation of increased security support that occurred in late

May and June of the previous fiscal year. The hourly rate will range between \$18.73 to \$19.75, depending on the officer's expense. The funding also covers the equipment required for the security detail. Fund balance will be used to cover the expense.

20-0364 **Update on County Funded Early Literacy Initiatives, Reach Out and Read and Book Harvest's Books and Beyond: Laundromats**

Agenda Text:

The Board is requested to receive and discuss this update and recommendation for continued funding for two early literacy initiatives, Reach Out and Read and Books and Beyond. Board contract approval will be requested for Reach out and Read, budgeted at \$50,000 for FY 21.

Supporting access to educational enrichment is critical as COVID continues to disrupt learning for many young and school-aged children in Durham. Reach Out and Read (ROR) and Book Harvest's Books and Beyond: Laundromats (BBL) deepen efforts to support early literacy by using co-location to meet families where they are already gathering. ROR promotes literacy through co-location in pediatric practices, training providers in early literacy and providing books for children and parents at well-child visits birth-five. BBL uses laundromats to provide books to young children, lead story hours, and facilitate creative activities related to literacy.

Funded in FY 20, ROR, funded at \$50,000, made a significant change to their practice, integrating the initiative into all well-child visits from 0-5, rather than just certain well-child visits, increasing model fidelity at participating clinics. In establishing Books and Beyond at laundromats, Book Harvest, funded at \$15,000, quickly recognized the value of co-location and began to expand the initiative to include other sites where families were already going, such as barber shops and social service agency waiting rooms.

Both initiatives have pivoted to serve families in physically distanced ways, including leaving bags of books at laundromats and training providers on how to use ROR curriculum in telehealth visits. Both are evaluating additional methods to provide children and families with literacy resources as COVID persists. For the reasons listed, and because books and reading can be a stress-reducing and connective activity for children and parents during times of crisis, we are recommending that funding for both initiatives be continued in FY 20-21. Board contract approval will be sought for ROR, budgeted at \$50,000. BBL will be funded through early childhood initiative funds. See the summary document provided for additional information.

Alignment with Strategic Plan: Early childhood literacy initiatives most closely align with Goal 1 (Community Empowerment and Enrichment), Objective 1.1 (Provide and support learning and enrichment opportunities that support educational achievement and life success), Strategy 1.1A (Early Childhood Education: Provide support for children from birth-5 with early childhood educational outreach programming and services).

Resource Persons: Cate Elander, Early Childhood Coordinator; Donna Rewalt, County Extension Director; Drew Cummings, Chief of Staff

County Manager's Recommendation: The County Manager recommends that the Board receive and discuss this update and recommendation for continued funding for two early literacy initiatives, Reach Out and Read and Books and Beyond:

Budget Ordinance Amendment No. 21BCC000012 Appropriate \$100,000 of General Fund COVID Reserve to support COVID positive families experiencing food insecurity.

Agenda Text:

The Board is requested to approve Budget Ordinance Amendment No. 21BCC000012 to appropriate \$100,000 of General Fund COVID reserve to support Public Health's feeding efforts for COVID positive food insecure families. Per NC G.S. 130A, Public Health is required to provide supplies for individuals in isolation as a result of communicable disease.

Public Health currently provides food and supplies to COVID positive food insecure individuals at a cost of \$35 per week. We are averaging 300 food insecure COVID individuals per month for an average total of \$10,500 per month. As a result of increased COVID infection rate in the Latinx and Hispanic populations, the cost of telephone translation services to arrange for food and supply delivery is \$1,000 per month. Lastly, mileage averages \$7 round trip per household at \$2,100 per month.

An appropriation of \$100,000 to feed COVID positive food insecure residents of Durham County would last seven months, or through February 2021 at current infection rates.

20-0379 **Potential Tax Relief Options for Residents at or below 30% of the Average Median Income (30min)**

Agenda Text: The Board of County Commissioners is requested to receive an update from staff on potential tax relief options for residents at or below 30% of the average median income in Durham County. During the June 8, 2020 BOCC meeting, staff were asked to explore potential tax relief options beyond the current tax exemption programs for residents at or below 30% of the area median income. Current tax exemption programs authorized by the NC General Assembly include the Elderly/Disabled Homestead Exemption, Circuit Breaker -- Elderly/Disabled Deferment Program and the Disabled Veteran Exclusion. In May, the Tax Department in collaboration with the IS&T Department launched an on-line portal that allows residents to check their potential eligibility for existing tax-exempt programs. In addition to the on-line portal, there will be increased efforts in upcoming months to increase public awareness on existing tax relief programs.

In addition to the aforementioned state authorized tax exemptions, staff evaluated three additional approaches to provide tax relief for residents at or below 30% of the area median income. A proposed Tax Assistance Grant Program initiated by the Coalition for Affordable Housing and Transit. Another consideration was given to a Long-term Payment Deferral Program for residents at or below 30% of the area median income. This proposal is recommended under existing legislative authority. Finally, staff evaluated the potential to bolster participation in the Durham Community Land Trust program. This State-approved program is authorized by NC General Statute 105-277.17.

Further, staff also recommends that the BOCC explore a collaboration with the City of Durham to allocate funds for a housing repair program for long-term homeowners with a household income at or below 30% AMI. While this option does not provide direct tax relief, it would help some longtime residents address home repairs that go undone due to a lack of resources, thus freeing up dollars to support outstanding property taxes. Staff will explore this option further and bring additional information to the Board in September. Staff believes a toolbox of these options will provide great benefit to the community and moves Durham County forward with its goal of maintaining affordable housing.

Alignment with Strategic Plan: Goal 5: Accountable, Efficient and Visionary Government

Resource Persons: Dwane Brinson, Tax Administrator, Claudia Hager, General Manager and Bryan Wardell, Assistant County Attorney

County Manager's Recommendation: County Manager recommends the Board receive the report and authorize tax relief options that can exist under current general statutes authorization.

Discussion on the Joint Durham Community Safety & Wellness Task Force (30min)

Agenda Text:

The Board is requested to discuss the bylaws for the Joint Durham Community Safety & Wellness Task Force. A task force which consists of partnership with the City of Durham and Durham Public Schools.

In the Spring of 2019, during conversations about the Durham Police Department's budget, community members requested that the City of Durham create a task force to explore and recommend community-based public safety models and interventions. City council members and staff believe that this effort will be best served by the participation of both Durham County, which administers and funds public health initiatives, and Durham County Public Schools. As a result, this proposal will create a joint task force with the City of Durham, Durham County, and Durham County Public Schools as partners. This joint community-led task force will be charged with examining the public safety & wellness needs of Durham residents and communities, educating residents on existing safety and wellness resources, and providing recommendations for additional programs to enhance public safety and wellness by focusing on community-based prevention, intervention, and re-entry services.

After multiple discussions, the City Council approved the bylaws at their March 2, 2020 meeting. Mayor Pro Tempore Jillian Johnson stated the Council agreed to commit \$1 million dollars towards investments that the task force recommends that would fall under the City's purview.
