The IEM, Inc. contract is hereby approved as to form. Don't forget to require a COI.

Thanks,

Subject: Service Contract with IEM, Inc. for Disaster Recovery Planning

Hi Willie,

Please take a look at the proposed contract with IEM, Inc. who is our recommended vendor to perform disaster recovery planning for Durham County.

We are working on getting this on the Sept. 4 work session, so it needs to be in Legistar by Monday.

Appreciate your help getting your opinion back to us to meet that deadline.

Best Regards,
