

Juvenile Jurisdiction Advisory Committee Recommendations to implement S.L. 2017-57, Juvenile Justice Reinvestment Act

- ✓ A recommendation that implementation be undertaken in full, at one time, rather than staggered given the annual savings associated with full implementation.
- ✓ A recommendation to include items in SECTION 16D.4.(rr) (1) through SECTION 16D.4.(rr) (10) in juvenile jurisdiction. The committee further recommends amending SECTION 16D.4.(rr) (10) to read "Any H, I, or misdemeanor offense requiring registration as a sex offender pursuant to Article 27A of Chapter 14 of the General Statutes."
- ✓ Housing and Transfer legislation recommendations
 - All persons less than 18 years of age who are ordered to be held in custody prior to their trial or adjudication, whether in adult court or juvenile court, shall be housed in an approved Juvenile Justice Section facility, and not be incarcerated in county jails (unless the county jail has an agreement with the Juvenile Justice Section to house juveniles); and
 - Once it is determined that a person less than 18 years of age will be held in custody prior to trial or adjudication, that person shall be transported to and from the approved Juvenile Justice Section facility by Juvenile Justice Section personnel or personnel authorized by the Juvenile Justice Section; and
 - All persons less than 18 years of age who are convicted in adult court and are sentenced to be held in custody shall be housed in an approved facility operated by the Adult Correction and Juvenile Justice Division and not be incarcerated in county jails (unless the county jail has an agreement with the Juvenile Justice Section to house juveniles); and
 - Any person who is held in the custody of the Juvenile Justice Section prior to their trial in adult court, upon becoming 18 years of age, shall be transferred to the custody of the county jail where the charges arose by Juvenile Justice Section personnel or personnel authorized by the Juvenile Justice Section.
- ✓ Further, the committee requests that the General Assembly fund a unified video conferencing system, with the Administrative Office of Courts to administer standards in consultation with the Department of Public Safety, that allows communication between both juvenile detention and adult detention facilities and the courts to reduce transportation costs, improve access to the courts, and improve safety.
