Dear Mr. Davis,

The John D. and Catherine T. MacArthur Foundation and the Urban Institute are pleased to inform you that your Innovation Fund Capstone proposal has been approved. We are excited to continue working with you to expand your prior Innovation Fund work and create a fairer, more effective local justice system with innovative, collaborative, and evidence-based solutions.

To confirm receipt of this letter and to formally accept the Innovation Fund Capstone award, please e-mail Megan Russo (mrusso@urban.org) by August 24, 2018. **Please note that funding is not guaranteed until the grant award has been signed by both parties.** You can expect that after confirmation of the award, our team at the Urban Institute will be in touch to (1) review the scope and timeline of your intended project and (2) set up the exact terms and conditions of your award. If you are not the point of contact for program implementation around this work, please provide us with the contact information for the appropriate team member as soon as possible.

We look forward to working with you on your Capstone project.

Sincerely,

Jesse Jannetta
