“NATIONAL MENTORING MONTH”

in Durham County, and hereby call upon public officials, business and community leaders, educators, and citizens to observe this month with appropriate ceremonies, activities and programs in order to:

- recognize the men and women who serve as staff and volunteers at quality mentoring programs and help our young people find inner strength and reach their full potential;
- acknowledge that mentoring is beneficial because it facilitates healthy identity development, encourages educational achievement, reduces juvenile delinquency, expands career readiness, improves life outcomes, and strengthens communities;
- promote the creation, expansion, sustainability, and funding of quality mentoring programs across Durham to equip young people with the tools needed to lead healthy and productive lives; and
- support initiatives to close the "mentoring gap" and promote critical mentoring to support boys of color with mentors who perceive and understand social, political and economic oppression and to take action against oppressive elements of society.

This the 14th day of January, 2019.

Wendy Jacobs, Chair
Durham Board of County Commissioners
