To: **Mr. Zach Pritchard**

Re: **Durham County Stadium**

---

Beynon Sports Surfacing, Inc. hereby proposes to supply all labor and material necessary to complete the following scope of work:

1. Remove and dispose of the existing surface on the javelin runway
2. Prepare concrete for Beypoxy 1000 moisture mitigation system
3. Install Beypoxy 1000
4. Install BSS 1000 13mm Encapsulated track surfacing system
5. Stripe completed runway

***Lump sum Proposal Pricing for Work Stated Above:***

***\$48,039.00***

**Terms:**

- Full value of the work on the javelin runway to be paid within 12 months of completion of the synthetic surfacing.

**This proposal is based on the following:**

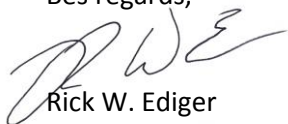

- Installation of surfacing per manufacturer's (Beynon Sports) specifications.
- Single mobilization; if the site is not ready and additional mobilizations are necessary, additional charges will apply.
- All lines on the surface relevant to the event
- Price includes bonds

**This proposal does not include:**

- In-ground and field event equipment.
- Correction of unforeseen site conditions below the existing surface.
- Costs associated with damaged concrete and landscaping due to access constraints.
- Restoration of grass or concrete from gaining access to the site.
- Utility relocation
- Protection of surface after completion.
- Design and construction documents.

Thank you again for your interest in Beynon Sports. Please do not hesitate to contact us if you have any questions. We look forward to working with you on this and future projects.

Bes regards,

Rick W. Ediger  
Vice President, Operations
