To Whom it May Concern:

I am writing you to request a refund of overpayment of Revenue Stamps that our office sent when recording two deeds. Our office mistakenly submitted the same deed twice for recording with the Durham County Register of Deeds. With these submissions we were required to submit revenue stamps in the amount of \$593.00 for each deed. As both deeds were the same, only one was transferred for value. Please refund our office the overpayment of Revenue Stamps at your earliest convenience. Thank you again for your time.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nicholas Bolling'.
