

**Agenda Action Form Overview**

The Board is requested to approve this Budget Ordinance Amendment to recognize \$1,890.00 from NC DHHS Division of Public Health CDI/ Cancer Prevention and Control Branch

**Background/Justification**

In the United States , breast cancer is the second most commonly diagnosed cancer in women. Cervical cancer , once the leading cause of death for women in the U.S., has significantly decreased in incidence and mortality since the Pap test was introduced in 1948. The NC Breast and Cervical Cancer Control Program ( BCCCP) is a screening program. The goal of the NC BCCCP is to reduce the morbidity and mortality due to breast and cervical cancers in women by providing breast and cervical cancer screening services for eligible underserved women in North Carolina.

**Policy Impact**

Recognition of these funds are in line with current Board policy and do not require an exception.

**Procurement Background**

Not Applicable

**Fiscal Impact**

Recognizing these revenues for the current fiscal year will allow for additional funding needed relevant to providing Breast and Cervical Cancer Control Program services.

**Recommendation**

The County Manager recommends the Board approve this Budget Ordinance Amendment to recognize \$1,890.00 from the NC DHHS Division of Public Health CDI/Cancer Prevention Control Branch
