- Purchaser agrees to pay for goods and services in accordance with the terms set forth on the face of this agreement.
- The sales price of all items delivered and the related freight, sales tax, delivery, installation and other charges shall be paid for in accordance with the terms hereinabove set forth even though these items are a portion of an entire order. Seller's failure to deliver all items on an order shall not entitle Purchaser to withhold payment for items delivered.
- Purchaser agrees to pay a service charge of one and one-half percent (1-1/2%) per month at an annual rate of eighteen percent (18%) on all delinquent invoices, as well as costs and expenses, including reasonable attorney's fees, which Seller incurs by reason of Purchaser's default.
- In the event that the Seller is in the position to deliver all or a substantial portion of the merchandise but Purchaser is not capable of receiving merchandise or refuses to do so, then Purchaser shall, notwithstanding the terms set forth in the agreement, pay for 100% of the merchandise upon notification of Seller's ability to deliver. Further, Seller shall be entitled to invoice Purchaser for storage and insurance with respect to such merchandise.
- The price of Customer's Own Leather (COL) is subject to additional charges if the leather supplier provides quantities in excess of that ordered to accommodate the most efficient utilization of hides. Such increases will not exceed 10% of the quantity ordered.
- Freight charges are subject to adjustment for increased fuel charges.

#### 2. Cancellation and Charges:

- Upon acceptance by Purchaser, this proposal constitutes an Agreement and Purchaser understands that it CANNOT BE CANCELLED except by mutual written consent.
- Goods included in this order are not refundable without prior written consent and approval of Seller. Should goods be approved for return, the Purchaser agrees to pay a restocking charge as determined by Seller on any goods so returned.
- Changes requested by Purchaser subsequent to factory confirmation are subject to Seller's ability to conform and upon factory written approval. All such requests shall be delivered to Seller in writing. Any resulting additional charges shall be paid by Purchaser.

#### 3. Claims and Warranties:

- The only warranties hereby given are those given by the manufacturer of the goods. NO WARRANTY IS INCLUDED AGAINST ANY EXPENSE FOR REMOVAL, REINSTALLATION, LOSS OF VALUE OF USE, LOST PROFITS OR OTHER CONSEQUENTIAL DAMAGES ARISING FROM ANY DEFECT OR DELAY. THE WARRANTY SET FORTH ABOVE IS THE ONLY WARRANTY MADE BY SELLER AND IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
- Purchaser shall inspect the goods and notify within three (3) days after the delivery of goods to Purchaser to determine whether said goods are conforming goods and shall immediately notify Seller in writing particularly describing any nonconformity and Seller shall have a reasonable time to cure said nonconformity.

#### 4. Delivery and Installation:

- Purchaser agrees to have premises available on the request date of installation and for a reasonable period of time thereafter for installation during the portion of the business day as stated in the agreement. Purchaser further agrees to reasonably aid Seller in any manner to facilitate the efficient and expeditious completion of installation. In the event installation cannot be completed and the goods must be left on the premises, or if the Purchaser directs Seller to leave goods with any third party, then the Purchaser assumes full responsibility and risk of loss or damage for said goods. Purchaser agrees that at the time of installation the job shall be clean and free of debris.
- Any Purchaser requiring installation by other than Seller's personnel shall be directly responsible for hiring and incurring the expense of said personnel (union or non-union). - Purchaser agrees to pay for goods and services in accordance with the terms set forth on the face of this agreement.
- The sales price of all items delivered and the related freight, sales tax, delivery, installation and other charges shall be paid for in accordance with the terms hereinabove set forth even though these items are a portion of an entire order. Seller's failure to deliver all items on an order shall not entitle Purchaser to withhold payment for items delivered.
- Purchaser agrees to pay a service charge of one and one-half percent (1-1/2%) per month at an annual rate of eighteen percent (18%) on all delinquent invoices, as well as costs and expenses, including reasonable attorney's fees, which Seller incurs by reason of Purchaser's default.
- In the event that the Seller is in the position to deliver all or a substantial portion of the merchandise but Purchaser is not capable of receiving merchandise or refuses to do so, then Purchaser shall, notwithstanding the terms set forth in the agreement, pay for 100% of the merchandise upon notification of Seller's ability to deliver. Further, Seller shall be entitled to invoice Purchaser for storage and insurance with respect to such merchandise.
- The price of Customer's Own Leather (COL) is subject to additional charges if the leather supplier provides quantities in excess of that ordered to accommodate the most efficient utilization of hides. Such increases will not exceed 10% of the quantity ordered.
- Freight charges are subject to adjustment for increased fuel charges.

#### 2. Cancellation and Charges:

- Upon acceptance by Purchaser, this proposal constitutes an Agreement and Purchaser understands that it CANNOT BE CANCELLED except by mutual written consent.
- Goods included in this order are not refundable without prior written consent and approval of Seller. Should goods be approved for return, the Purchaser agrees to pay a restocking charge as determined by Seller on any goods so returned.
- Changes requested by Purchaser subsequent to factory confirmation are subject to Seller's ability to conform and upon factory written approval. All such requests shall be delivered to Seller in writing. Any resulting additional charges shall be paid by Purchaser.

#### 3. Claims and Warranties:

- Purchaser shall inspect the goods and notify within three (3) days after the delivery of goods to Purchaser to determine whether said goods are conforming goods and shall immediately notify Seller in writing particularly describing any nonconformity and Seller shall have a reasonable time to cure said nonconformity.

Purchaser further agrees to reasonably aid Seller in any manner to facilitate the efficient and expeditious completion of installation. In the event installation cannot be completed and the goods must be left on the premises, or if the Purchaser directs Seller to leave goods with any third party, then the Purchaser assumes full responsibility and risk of loss or damage for said goods. Purchaser agrees that at the time of installation the job shall be clean and free of debris.
- Any Purchaser requiring installation by other than Seller's personnel shall be directly responsible for hiring and incurring the expense of said personnel (union or non-union).
