

Agenda Action Form Overview

The Board is requested to approve this Budget Ordinance Amendment No. 21BCC000017 to recognize \$419,458 from NC DHHS Division of Public Epidemiology / Communicable Disease Branch.

Background/Justification

The primary mission of the Communicable Disease Branch (CDB) is to reduce morbidity and mortality resulting from communicable diseases that are a significant threat to the public through detection, investigation, testing, treatment, tracking, control, education, and care activities to improve the health of people in North Carolina.

The intention of this funding is to...

1. Enhance laboratory, surveillance, informatics and workforce capacity
2. Strengthen community laboratory testing
3. Advance electronic data exchange at Public Health labs
4. Improve surveillance and reporting of electronic health data
5. Use laboratory data to enhance investigation, response and prevention
6. Coordinate and engage with partners

Policy Impact

Recognition of these funds are in line with current Board policy and do not require an exception.
