To: Tammy Baggett, Director
Durham County Library

From: Karen Wells, Executive Director
Durham Library Foundation

Re: SunTrust Lighting the Way Award

On behalf of the Durham Foundation Board of Directors, it is my privilege to present an award to the Durham Public Library of \$75,000 for FY 20-21 made possible by the civic philanthropy program of The Suntrust Foundation.

The award is specifically to further the efforts of the Durham County Library in small business support and for programming of the Incubator space at Main Library.

The 2019 Lighting the Way Award presented at a ceremony in Atlanta, Ga., highlighted the great work of 36 nonprofits, including Durham County Library. It is the Foundation's privilege to serve our Libraries, and we look forward to continuing to develop resources on their behalf.
