Good afternoon Anecia,

Yes, these expenses are allowable under GTL's Tech Grant. We would just need an invoice sent over to us, and then we would pay this amount on behalf of Durham County.

Please let me know if you have any other questions. Thanks!

**Sincerely,**

**Scott Erickson**

**Importance:** High

Good Afternoon Scott,

I hope you are well & staying safe! We have a couple of projects that we need completed at our Detention Facility & we would like to use a portion of our GTL grant to purchase. Our county office is willing to release the funding request that we submitted of \$150,000.00 but they have requested written correspondence from GTL approving the purchases. Below are the items we would like to use the GTL funding for:

- \$86K for a card reader and access controller; mental health pod and kitchen workstations; and food pass doors
- \$64K towards the cost of the X-Ray/Metal Detectors

Can you please advise if these expenses are allowable under the GTL grant?

Thank you,
