Capital Project Amendment No. 20CPA000028 to Amend the Judicial Building Annex Renovations Project 4730DC141 to Appropriate Funding from the Duke Energy Smart Saver Custom Incentive Program

Date of BOCC Meeting: May 11, 2020

Request for Board Action:

The Board is requested to authorize the County Manager to approve Capital Project Amendment No. 20BCC000028 appropriating \$12,157.00 of Duke Energy Smart Saver Custom Incentive Program funding to the Judicial Building Annex Renovations Project.

This incentive program is a no-cost Duke Energy sponsored program to provide financial incentives to design and build more energy efficient buildings. The County benefits by receiving a check from Duke energy at the end of construction in addition to a twenty-one percent reduction in annual energy costs in the improved Judicial Building Annex. The Duke Energy incentive program provides cash for the installation of qualifying high-performance roofing, and high-efficiency equipment for lighting and mechanical systems.

Alignment With Strategic Plan: This aligns with Goal 4 - Environmental Stewardship - through the improvement of the environmental performance of County buildings to reduce energy use and greenhouse gas emissions from the built environment.

Resource Persons: Peri Manns, ASLA, LEED GA, Deputy Director of Engineering and Environmental Services, Linda C. Salguero, AIA, CPD, Project Manager, Engineering Department; and Keith Lane, Director of Budget and Management Services.

County Manager's Recommendation: The County Manager recommends Board authorize the County Manager to approve Capital Project Amendment No. 20CPA000028 appropriating \$12,157.00 of Duke Energy

Smart Saver Custom Incentive Program funding to the Judicial Building Annex Renovations Project 4730DC141.
