Item:
Review of Previous Board Directives - 15 mins

Date of BOCC Meeting: May 7, 2018

Request for Board Action:

The Board is requested to review follow-up on directives issued to staff at previous board meetings and ask the appropriate staff any questions they like.

County staff continue to draft the follow-up items during meetings and firm them up in the days or two following the meeting. Follow-up items will require different amounts of time for appropriate follow-up, but the noted staff have been asked to note current status and expected time frames in all cases.

Alignment with Strategic Plan: Prompt, thorough follow-up on Board directives is closely tied to Goal 5 - *Accountable*, efficient, and visionary government.

Resource Persons: Drew Cummings, Chief of Staff

County Manager's Recommendation: The County Manager recommends that the Board review follow-up on directives issued to staff at previous board meetings and ask the appropriate staff any questions they like.
