**Board Directive Updates (15mins)**

**Date Of BOCC Meeting:** June 4, 2018

**Request For Board Action:**

The Board is requested to review follow-up for earlier Board directives and ask any questions they wish.

County staff are getting more accustomed to the new directive management and follow-up system. Staff continue to draft the follow-up items during meetings and firm them up in the day or two following the meeting. Follow-up items will require different amounts of time for appropriate follow-up, but the noted staff have been asked to note current status and expected time frames in all cases.

**Alignment With Strategic Plan:** Quick effective follow-up on board directives resonates powerfully as part of Goal 5 of the County's Strategic Plan - Accountable, Efficient, and Visionary Government.

**Resource Persons:** Drew Cummings, Chief of Staff

**County Manager's Recommendation:** The County Manager recommends that the Board review the follow-up for earlier Board directives and ask any questions they wish.
