6. Every September-October, groups from across Durham volunteer to pick up litter in their local neighborhoods, parks, and streams. This is Durham's largest litter cleanup event of the year, coordinated by the Durham County Soil and Water Conservation, Keep Durham Beautiful, Inc and the City of Durham Stormwater & GIS Services Division, with additional support provided by the Durham County General Services Department and the City of Durham Neighborhood Improvement Services Department.

Over 5,100 Big Sweep volunteers have picked up 160,000 pounds of litter since 2005. In 2017, volunteers collected 30,000 pounds of trash, breaking the previous record, set in 2012, by over 10,000 pounds. This event provides countless benefits to the communities involved and is one of the most impactful means of keeping Durham beautiful.

Volunteers can create a cleanup team with their selected group or can volunteer as individuals and be assigned to a team. If you don't have a particular site in mind, our staff can assist you in locating a cleanup site. While the official Big Sweep day was October 6, any date in October is eligible. Interested? Register at www.durhambigsweep.org
