**Award of Contract for Track Resurfacing at Durham County Memorial Stadium
(RFP 19-019)**

Date of BOCC Meeting: March 11, 2019

Request for Board Action:

The Board is requested to authorize the County Manager to execute a service contract with Beynon Sports Surfaces Inc. in the amount of \$369,000.00 to resurface the athletic track at Durham County Memorial Stadium. The track was first installed during the 2010 stadium renovation and is in need of resurfacing. Durham Memorial Stadium is set to host the upcoming 2019 USA Track and Field event from June 24th-30th 2019, and as a stipulation the resurfacing of the track is required. The scope of work will entail an initial cleaning and visual inspection of the existing track surface. Any irregularities, incongruities and ponding that are found, will be addressed prior to the application of the polyurethane surfacing. Beynon's polyurethane is applied to the existing surface and cured before being topped with two coats of a pigmented aliphatic polyurethane coating. Once the synthetic track surface has been applied Beynon will clean the track and cut/trim any needed openings. A surveyor and line striper will work together to mark the track lines. At the completion of the striping the surveyor will take elevation readings for completion of the track and field measurement report, determination of successful compliance with IAAF/NCAA planarity tolerance and line marking accuracy.

Three proposal responses were recieved for (RFP 19-019) Track Resurfacing at Durham County Memorial Stadium. Beynon Sports Surfaces, Inc. was deemed the most qualified firm based on an evaluation committee's review. Beynon Sports Surfaces, Inc's proposal presented a well-defined process and timeline that stood out from the other submitted proposals. Beynon has emerged as the leading provider of premier polyurethane athletic surfacing for outdoor/indoor running tracks, fieldhouses and Olympic caliber running tracks in the United States today.
