Date of BOCC Meeting: October 14, 2019

Request for Board Action:

The Board is requested to authorize the County Manager to execute a service contract amendment with Brady Integrated Security in the amount of \$16,937.14 (for a total contract amount not to exceed \$354,831.37) for the installation of S-2 access control and video management system at Bragtown Library. On August 12, 2019 the Board authorized the County Manager to enter into a service contract with Brady Integrated Security for RFP 19-030 Security Access Control and Video Management Systems for the conversion of the existing Andover access control and DVTel Video Management Systems (VMS) to S-2 access control and VMS for various County Buildings. The current Andover Continuum system is proprietary rather than open-architecture and will be at the end of its useful life in two years.

In review of the MWBE Compliance for Security Access Control and Video Management Systems, there were no participation goals achieved on this project. Brady Integrated Security will be utilizing their own workforce to perform this particular service on the project.
